Recommendations:

Download and install WebAim (<https://wave.webaim.org/extension/>),

And/or ANDI (<https://www.ssa.gov/accessibility/andi/help/install.html>)

Bring a lunch, laptop, notebook, pens and a thirst to learn!

For blind and low-vision participants, and others who require accessibility accommodation for written content, the on-screen content in this meeting is accessible through Scribe for Meetings. Follow this link to use Scribe for Meetings:
