4.1 SUSPENSIONS:

SUSPENSION OF ADULTS

Suspensions shall be proportionate to the severity of the conduct for which the suspension is issued. Depending on the nature and/or the severity of acts of misconduct such as vandalism, criminal activity, passenger disputes, or threats of bodily harm to the operator or passengers, NCRTD staff and management may suspended bus service for offenders at such times and to such an extent as they deem necessary to achieve the purposes set forth in this policy.

SUSPENSION OF MINORS:

Suspension of minors shall follow the same guidelines as adults. However, in the case of minors the NCRTD shall provide notice to parents or legal guardians to the best of its ability.

Individuals will be suspended from transit services and facility usage for the designated period of time as outlined below.

Suspensions generally shall be grouped into the following categories although the Transit Operations Director or Executive Director of the NCRTD has authority to vary from these categories based on the severity of the infraction.

ONE (1) DAY SUSPENSION:

In the case of a single incident where the actions have not occurred repeatedly and are not resolved through de-escalation attempts, NCRTD Transit Operators, Transit Security and management can suspend passengers from all transit routes for one (1) day or for the remainder of that day. Individual Transit Operators are hereby authorized to issue oral one (1) day suspensions when, in their judgment, the terms of this policy are being violated and the severity of the violation warrants an immediate response. Transit Operators are to contact their supervisors or dispatch as soon as reasonably possible to inform them of any suspensions issued.

ONE (1) WEEK SUSPENSION:

If a passenger's behavior and actions continue to be a distraction to the safe operation of the transit vehicle after the initial one (1) day suspension with no improvement and within a thirty (30) day period then the passenger will be suspended for a period of one (1) week. Citations will be issued through Transit Security with the specific details of the infraction, along with an expected date of services to be reinstated.

THIRTY (30) DAY SUSPENSION:

If a passenger's behavior and actions continue to be a distraction to the safe operation of the transit vehicle after the one (1) week suspension with no improvement then the passenger will be suspended for a period of thirty (30) days. Written citations will be issued through Transit Security personnel with the specific details of the infraction, along with an expected date of services to be reinstated.

THREE (3) TO SIX (6) MONTH SUSPENSION:

If a passenger's actions have occurred repeatedly and have not been resolved through de-escalation attempts, prior suspensions or law enforcement has been called to aid in these attempts to no avail Transit Security personnel may elect to suspend that passenger for up to a period between three (3) to six (6) months. When that occurs, Transit Security personnel will make best efforts to notify the individual in writing via an NCRTD letter of the suspension, including the term of the suspension, and the process for appeal. NCRTD shall document the reasons for the suspension, the attempts to resolve the matter prior to suspension, and the length of time of suspension. NCRTD shall make such

records available to the person suspended to the extent that such records are not confidential.

INDEFINITE SUSPENSION:

The NCRTD reserves the right to suspend any passenger indefinitely if, in the NCRTD's judgment, the passenger poses a risk of injury to themselves, the public or NCRTD employees. Such suspensions shall only be made by the Transit Operations Director or Executive Director. Generally, if the passenger's actions have not been resolved through de-escalation attempts, and/or have resulted in bodily harm to an operator or another passenger, and law enforcement has been called to assist with the violation, the Transit Operations Director or Executive Director may suspend that passenger indefinitely. The NCRTD shall notify the individual in writing of any such suspension in the same manner as prescribed above.

4.2 TEMPORARY SUSPENSION DURING AN INVESTIGATION:

In cases where a passenger has made an allegation of misconduct or inappropriate actions by a transit operator(s) or Transit Security, the NCRTD may temporarily suspend services to that passenger during the investigation. Temporary suspensions are for the protection of the passenger as well as the public and shall be utilized to maintain the integrity of the NCRTD pending resolution of the investigation. Once an investigation is complete and appropriate steps have been taken to mitigate any such acts, the NCRTD shall lift the temporary suspension or impose a suspension pursuant to this policy.

5.0 INVESTIGATIONS:

NCRTD Transit Security and Management will utilize, passenger complaint reports, Transit Operator incident reports and video surveillance as methods to conduct investigations. All video footage will be retained for evaluation for future incidents or infractions.

6.0 OPERATOR ENFORCEMENT:

Refusing transportation to an individual or group of individuals at a bus stop or when attempting to board a bus, will be up to the judgment of the individual Transit Operator. However, it is incumbent upon the NCRTD management to ensure all Transit Operators are trained on this policy and the various steps/techniques in dealing with these types of individuals. Examples of extreme circumstances that justify refusing service include those individuals who pose a potential safety risk, passengers without shoes or shirts, seeping wounds, individuals who have soiled themselves and/or their clothing, or those who give the appearance of extreme intoxication.

6.1 EJECTING PASSENGERS FROM VEHICLES:

Ejecting (removing) a passenger from the bus may be justified when disruptive actions occur while the bus is in motion. Examples include extreme annoyance to other passengers, threats of violence, loud profane language, and yelling, physical altercation or conduct as described in section 3.0 above.

If a passenger is removed from the bus, they should be left in an area that is safe and well lit. Transit Operators should not attempt to physically confront or forcibly remove passengers and if such steps are required the operator should contact either Transit Security, a supervisor, or a law enforcement officer rather than attempting to physically remove the passenger. Transit Operators shall not eject or remove passengers from a moving vehicle and shall not compromise the health and safety of other passengers by making abrupt stops or disobeying any traffic law in order to eject a passenger.

6.2 DETAINING PASSENGERS:

Detaining a disruptive passenger may be necessary in order to await supervisory or law enforcement assistance. This is defined as temporarily stopping the bus route, parking the bus in a safe location, with doors open and no physical contact with the individual(s) by transit personnel. Transit Operators shall not be required to stop their vehicle at locations other than those permitted or required on a route nor shall they be required or permitted to allow passengers to exit a moving vehicle at any time.

7.0 APPEAL PROCESS:

- 7.1 In the event that the NCRTD decides to suspend service to a passenger for a period of more than one (1) day the NCRTD shall provide written notice to the passenger to the extent such notice is possible. Where written notice is not possible due to the lack of contact information the NCRTD shall attempt to provide such other notice, by phone, or direct contact as may be reasonably possible. The NCRTD is not responsible for investigating individual identities, locating the address information of persons refusing to provide this information or otherwise verifying the name, address and identity of riders. The Service Suspension Notice submitted to a suspended person shall also be used to notify riders of their right to appeal the decision to the Transit Operations Director or his/her designee.
- 7.2 If the passenger requests an appeal hearing, the appeal shall be held by the Operations Director or his/her designee as soon as practicable. The appeal hearing may be conducted in person or telephonically. Appellants shall be provided with access to any information or records of the NCRTD reasonably required to prosecute the appeal so long as the records are not confidential. The NCRTD shall allow the appellant to submit any written or oral testimony that appellant wishes to place in the record but may limit the time allotted for a hearing to such time as the case warrants. The appellant shall have the burden of showing that the decision to suspend service was illegal, unwarranted, arbitrary or erroneous.
- 7.3 Following the appeal, the Transit Operations Director or his/her designee shall render a written decision as soon as practicable.
- 7.4 The NCRTD will not provide service to the suspended person pending resolution of the Appeal.
