*In accordance with SPB Rule 1.7.4.10 NMAC, the assignment to alternative pay bands shall be reviewed annually to determine their appropriateness.

Occupation Description
Administer libraries and perform related library services. Work in a variety of settings, including public libraries, schools, colleges and universities, museums, corporations, government agencies, law firms, non-profit organizations, and healthcare providers. Tasks may include selecting, acquiring, cataloging, classifying, circulating, and maintaining library materials; and furnishing reference, bibliographical, and readers' advisory services. May perform in-depth, strategic research, and synthesize, analyze, edit, and filter information. May set up or work with databases and information systems to catalog and access information.

Nature of Work
Librarians combine traditional duties with tasks involving quickly changing technology. Librarian’s help people find information and use it effectively for personal and professional purposes. They must have knowledge of a wide variety of scholarly and public information sources and must follow trends related to publishing, computers, and the media to oversee the selection and organization of library materials. Librarians manage staff and develop and direct information programs and systems for the public and ensure that information is organized in a manner that meets users’ needs.

Distinguishing Characteristics of Levels
Note: Examples of Work are intended to be cumulative for each progressively higher level of work. The omission of specific statements does not preclude management from assigning other duties which are reasonably within the scope of the duties.

Basic
- Employees in this Role assist people in finding information and using it effectively. Employees follow trends related to publishing, computers, and the media to effectively oversee the selection and organization of library materials; determine library patrons’ needs and identify means to meet those needs.

Recommended Education and Experience for Full Performance
Master's Degree from a program accredited by the American Library Association (or recognized by the appropriate body of another country) with one (1) year experience in performing and providing basic library technical operations, effective library and information services.
LIBRARIANS

Minimum Qualifications
Master’s Degree from a program accredited by the American Library Association (or recognized by the appropriate body of another country).

Operational
- Employees in this Role perform duties requiring application of specialized library principles and practices to a wide variety of library activities.
- Employees interpret and apply a broad, professional library education to a variety of situations and rely on professional theory and principle to make procedural and policy decisions.

Recommended Education and Experience for Full Performance*
Master's Degree from a program accredited by the American Library Association (or recognized by the appropriate body of another country) with two (2) to three (3) years experience in performing and providing operational library technical operations, effective library and information services.

Minimum Qualifications
Master’s Degree from a program accredited by the American Library Association (or recognized by the appropriate body of another country) with one (1) year experience in performing and providing operational library technical operations, effective library and information services, plus basic copy-cataloging experience.

Advanced
- Employees in this Role independently plan, implement, and evaluate specialized projects involving personnel from other state agencies, the general public, and/or library personnel from other libraries in the state.
- Employees are required to plan and direct operation of specialized reference services; consult and administer grant programs to libraries within institutions; develop and monitor programs for continuing education for library personnel in other libraries throughout the state.

Recommended Education and Experience for Full Performance
Master's Degree from a program accredited by the American Library Association (or recognized by the appropriate body of another country) with two (2) to four (4) years experience in performing and providing advanced library technical operations, effective library and information services.

Minimum Qualifications
Master’s Degree from a program accredited by the American Library Association (or recognized by the appropriate body of another country) with two (2) years experience in performing and providing advanced library technical operations, effective library and information services, plus cataloging experience and managerial experience.
