Provider Directory/ Directorio de proveedores

Welcome, True Health New Mexico Member!

At True Health New Mexico, we are committed to you and your family's healthcare needs. Our mission is to help you reach your optimum level of health and make sure you receive all the services you need to feel your best.

True Health New Mexico has contracted with thousands of doctors and other providers in New Mexico and some nearby areas such as El Paso and Lubbock. This directory lists the contracted doctors, hospitals, and other providers within our network.

This directory is current as of June 5, 2023. Some providers may have been added or removed from our network after this directory was printed. Providers may be added or removed within the coverage year. We do not guarantee that all of the providers listed are still accepting new patients.

You should choose one of the providers listed in this directory as your Primary Care Provider (PCP). PCPs are physicians, nurse practitioners, and physician assistants who manage your healthcare needs. It is our philosophy that a strong relationship with a PCP will help you and your family (if you have family coverage) direct your healthcare, as well as keep you healthy. PCPs provide services such as annual exams, routine immunizations, and treatment for illnesses and injuries. Developing a relationship with a PCP can help you stay well and avoid costly medical expenses in the future. PCPs include family practice physicians, general practitioners, internists, and pediatricians.

If you need help selecting a PCP, or want to change to a different PCP, you may call Customer Service for assistance:

- Toll-free: 1-844-508-4677
- Hours: Monday-Friday, 8 a.m. to 5 p.m., Mountain Standard Time

THNM does not require our contracted providers to comply with any specified numbers, targeted averages, or maximum durations of provider visits.

To get the most up-to-date version of our provider directory, please visit **truehealthnewmexico.com** or call Customer Service at the number listed above.

Bienvenido, asegurado de *True Health New Mexico*!

Aquí en True Health New Mexico, nos dedicamos a las necesidades en los servicios de atención médica, tanto las suyas como las de su familia. Es nuestra misión ayudarle a lograr su nivel óptimo de salud y asegurar que usted reciba todos los servicios que necesite para que se sienta de lo mejor

True Health New Mexico tiene contratos con miles de médicos y otros proveedores de servicios médicos en Nuevo México y en sitios cercanos como El Paso y Lubbock. Esta guía tiene una lista de médicos, hospitales y otros proveedores de servicios médicos de nuestra red con quienes tenemos contratos.

Esta guía se actualizó el 06/05/2023. A lo mejor se han agregado unos proveedores de servicios médicos a nuestra red o se han eliminado de la misma. Se pueden agregar o eliminar proveedores de servicios médicos durante el año de la cobertura de seguro. No garantizamos que todos los proveedores de servicios médicos cuyos nombres se indican en esta guía están aceptando a pacientes nuevos.

Debe escoger uno de los proveedores de servicios médicos que se encuentran en esta guía para que sea su profesional médico de cabecera [*Primary Care Provider, PCP*]. Los profesionales médicos de cabecera son médicos, enfermeros(as) de práctica avanzada y médicos asistentes quienes se encargan de atender sus necesidades en los servicios médicos. Es nuestra filosofía que una relación fuerte con su profesional médico de cabecera les ayuda, tanto a usted como a su familia (si usted tiene la cobertura de seguro familiar), dirigir su atención médica y a mantenerse sanos. Los profesionales médicos de cabecera proveen servicios como reconocimientos médicos anuales, vacunas comunes y tratamientos para las enfermedades y lesiones. Desarrollar una relación con su profesional médico de cabecera le puede ayudar a mantenerse sano y a evitar los gastos médicos altos en el futuro. Los profesionales médicos de cabecera incluyen los médicos de familia, los médicos generalistas, los internistas y los pediatras.

Si necesita ayuda para escoger un profesional médico de cabecera o si quiere cambiar su profesional médico de cabecera, puede llamar al Centro de Servicios al Cliente para que le ayuden:

- Línea telefónica gratis: 1-844-508-4677
- Horario: de lunes de viernes de las 8:00 de la mañana a las 5:00 de la tarde, tiempo de la zona de montañas

THNM no exige que los proveedores de servicios médicos que hemos contratado logren cifras específicas ni que tengan metas de promedios ni especificamos cuánto tiempo deben durar las consultas con los proveedores de servicios médicos.

Para conseguir la versión más al día de nuestra guía de proveedores de servicios médicos, le pedimos que consulte el sitio web **truehealthnewmexico.com** o llame al Centro de Servicios al Cliente al número de teléfono que se indica más arriba. Servicios TTY y de acceso de idioma
