NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-844-508-4677 or visit www.truehealthnewmexico.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP; or \$8,550 individual/\$17,100 family.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of the <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes; preventive care and services where a copay is listed.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without cost-sharing and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	\$0 at IHCP or with IHCP referral at non-IHCP	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$8,550 Ind / \$17,100 Fam	The <u>out of pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out of pocket limit</u> until the overall family <u>out of pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premium, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out of pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.truehealthnewmexico.com or call 1-844-508-4677 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an out of network provider, and you might receive a bill from a <u>provider</u> from the difference between the provider's charge and what your <u>plan</u> pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
