

Declaration of Braden Anderson

I, Braden Anderson, declare under penalty of perjury that the following is true and correct to the best of my knowledge:

1. I am employed by ATA Services as a contractor for the Health Care Authority (HCA), in the Division of Health Improvement. My current title is "Legal Assistant/Administrative Assistant", but I have recently been offered, and have accepted the full time employee position with the HCA as "Senior Business Operations Analyst and Website Support Specialist" and start in this official capacity on Nov. 8th, 2025.
2. In my official capacity, I retrieved and processed the video recordings of the interview conducted with Resident Steven Kluchik at Spanish Trails Rehabilitation Suites. These recordings are part of HCA/DHI's investigative file and I retrieved them from our secured internal drives.
3. I adjusted the videos by increasing the volume, adjusting the frame to more closely show Mr. Kluchik and make the videos more accessible to any device or playback format ONLY, using OpenShot Video Editor, an *offline* video processing platform. Other than increased volume and frame size adjustment, no other alterations were made to the original videos.
4. I prepared the transcript of the video interview by reviewing the audio content of the recordings and transcribing the spoken dialogue to the best of my ability using assistive transcription technology native to Microsoft's SharePoint, the HCA's secure file sharing and management system then reviewing for accuracy and adjusting as needed where the assistive technology could not decipher the actual content. The transcript is a true and accurate representation of the audio content captured in the video files to the best of my knowledge.
5. I uploaded the video files and transcript to a secure, password-protected page which I created myself using custom CSS and HTML code to password protect the content on the HCA website (www.hca.nm.gov) which is maintained by HCA ITD. Access to the page is restricted to authorized personnel involved in the investigation and hearing process. To the best of my knowledge myself and Alex Corwin (Attorney, Office of General Counsel, HCA) are the only employees at HCA to have access to this page.
6. The video files and transcript have not been altered or edited in any way other than as described above since their retrieval and upload. They reflect the original content as recorded during the interview.

Executed on this 6th day of November, 2025, in Albuquerque, New Mexico.
