

DDSD-SW Numbered Memo 2022-02

To: Trainers, Agency Administrators, and users of the New Mexico Waiver Training Hub
(NMWTH)

From: Jason Cornwell, Director DDSD

Date: April 20, 2022

Subject: DDSD Supports Waiver Core Trainings Update

Reminder that that DDSD core course **Keys to Health** training has replaced the Indications of Illness and Injury training (timelines for completion remain unchanged). **Keys to Health** can be found at <https://www.cdd.unm.edu/other-disability-programs/disability-health-policy/ddsd-courses/health-across-waivers.html>

Supports Waiver (SW)

- All job categories of the SW who have taken Indication of Illness and Injury (fundamentals) have fulfilled the *Keys to Health course*.
- All job categories of the SW who have not taken Indication of Illness and Injury (fundamentals) *will not be grandfathered into Keys to Health and must take this new course*.

Abuse, Neglect and Exploitation will need to be completed annually.
