

## Notice of Program Guidance

### Health Insurance Marketplace Affordability Program – Payment Information

### 2026 Program Year

*Issued February 10, 2026*

*Effective January 1, 2026*

**THIS NOTICE OF PROGRAM GUIDANCE** is issued pursuant to NMSA 1978, Section 59A-23F-11, which established the Health Care Affordability Fund (HCAF) to “reduce health care premiums and cost sharing for New Mexico residents who purchase health care coverage on the New Mexico health insurance exchange” and 8.401.2 NMAC. This Guidance sets forth requirements for individual market health insurance issuers under the Health Insurance Marketplace Affordability Program, the process for payments under the program, and the payment timeline.

The affordability and income criteria for the 2026 Plan Year was established in the “2026 Plan Year Health Insurance Marketplace Affordability Program Policy and Procedures Manual,” which can be found at <https://bit.ly/45zIIH7>; Addendum 1: Middle Income Households (MIH) at <https://bit.ly/4t4OIBP>; and Addendum 2: Puente Health (PH) at <https://bit.ly/4k2Zdfg>.

In 2026, the Health Care Authority (HCA) will continue making payments under the Health Insurance Marketplace Affordability Program to lower costs for qualifying individuals and families enrolled in a Qualified Health Plan offered on the New Mexico Health Insurance Exchange (NMHIX). Payments for the following programs will be made monthly:

- New Mexico Premium Assistance (NMPA) (includes MIH and PH)
- Native American Premium Assistance (NAPA)
- Medicaid Transition Premium Relief (MTPR)
- State Out-of-Pocket Assistance (SOPA)

#### Primary Issuer Contact for Matters Related to the Health Insurance Marketplace Affordability Program

If an issuer plans to change its primary point of contact with the HCA for the Marketplace Affordability Program, the issuer should do so no later than February 20, 2026. Issuers should submit the selected contact’s name, title, email address, and phone number to [DeAnna.Stock@hca.nm.gov](mailto:DeAnna.Stock@hca.nm.gov). If the contact changes at any point during the year, the issuer should notify the agency promptly.

#### Data Reporting and Payment Process

Each month during the 2026 Plan Year, NMHIX will submit data to the HCA indicating the payment amounts owed to each health insurance issuer subject to this Guidance. This data will include payment

amounts for the NMPA, NAPA, MTPR, and advanced SOPA programs according to the schedule in **TABLE 1**. The HCA will validate the data and issue a Notice of Payment with the validated data to issuers before the payment deadline in **TABLE 2**. Retroactive adjustments for premium assistance may be incorporated into subsequent data reports.
