Hospital Designation Type:

•**Rural:** are those that are not urban or underserved

•**Underserved:** Health Resources & Services Administration (HRSA) Underserved definition: Medically Underserved Areas/Populations (MUA) are areas or populations designated by HRSA as having too few primary care providers, high infant mortality, high poverty or a high elderly population. The lowest score (highest need) is 0; the highest score (lowest need) is 100. To qualify for underserved designation, the Index of Medical Underservice (IMU) score must be less than or equal to 62.0. Website: MUA Find (hrsa.gov)

•**Urban:** Based on Rural Health Information Hub (RHI) supported by HRSA; NM Urban counties are Bernalillo, Los Alamos, Sandoval, Santa Fe and Dona Ana. Website: [Am I Rural? Tool - Rural Health Information Hub](#)

•**UNM:** includes UNM Hospital, UNM Sandoval Regional Medical Center, and UNM Psychiatric Hospital

NOTE: Underserved, Rural, Urban, and UNM definitions are specific to 2023 House Bill 2 (HB2) hospital rate increases and should not be utilized in another context and or program without express direction from HSD.
