**EMS DNR**

**Grief and Loss Within the I/DD Population (BBS Buzz)**

**Poem**

This information has been provided with the assistance of multiple individuals from the community, DDS North Office, DDS Metro Office, leadership and Ingrid Nelson from the UNM Continuum of Care. I could not have completed this project without your contributions. We encourage the use of the many resources that are provided.

Please contact the UNM Continuum of Care for specific trainings on end of life topics.
