

Technology First Spotlight Series

There will be two presenters for this month's Spotlight Series:

Samantha Strong is an AAC Consultant with PRC-Salttillo and is passionate about helping people find their voice through technology. She will break down the basics of popular AAC apps like TouchChat, LAMP Words for Life, and Unity, and also share tips on how to get Medicaid to cover cost's of dedicated speech devices, and how families, professionals, and individuals can borrow equipment to try out at home or in the clinic.

Recently, Martin Therapy Services has been providing RPST services for the DD Waiver. Jennifer Martin will share the agency's startup story - adding the service, developing a workflow with practical forms, and leveraging AI to accelerate development. A look at key takeaways for tackling initial and ongoing challenges, and a review of common consumer queastions will be included if time allows.

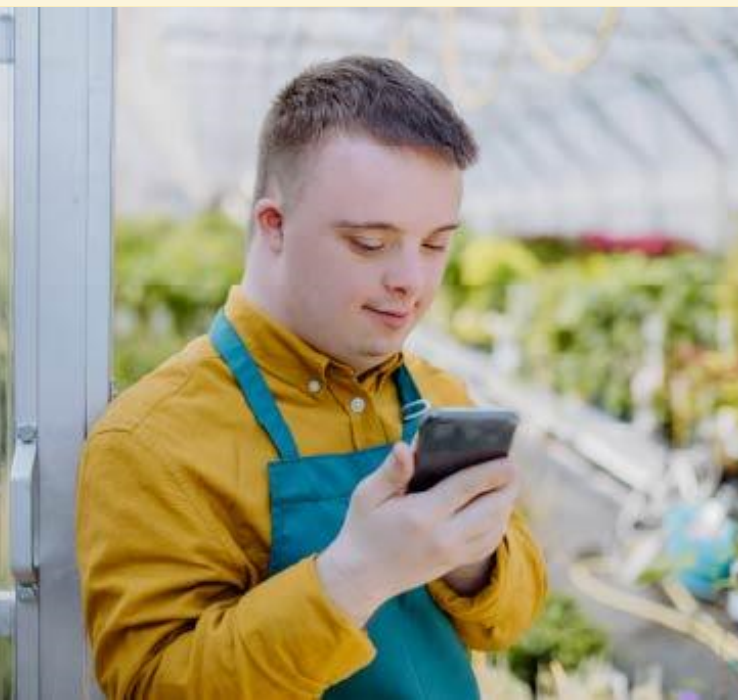

Agenda

- 10:00 am - Welcome.
- 10:05 am - Presentations

Why Should I Attend

- Learn about experiences and outcomes created through Enabling Technology for individuals in New Mexico.
- Participate in a live demonstration from a technology vendor.
- Engage with other members of the New Mexico disability community on technology first approaches.
