WHAT IS SELL?

SELL is a collaborative network of professionals, advocates, providers, policymakers, and individuals with lived experience who meet five times per year to share best practices and drive progress in employment supports for individuals with disabilities.

Who should attend?

- People with lived experience navigating disability services and employment
- Family members providing employment support
- Employment Support Professionals (e.g., job coaches, job developers)
- DDSD, NMDVR, DWS, and PED staffs
- Educators and Transition Specialists
- Case Managers and Consultants who may want to learn more about supported employment

Join us for the 2nd SELL of FY26! Let's continue the year together with shared learning and renewed collaboration.
