

REVISING THE MI VIA SERVICE AND SUPPORT PLAN

The DDS will be revising the content and format of the Mi Via Service and Support Plan (SSP). The goal of this revision is to make the SSP more person-centered and accessible. To help inform this revision, please consider and respond to the following questions:

1. What do you like about the current SSP?
2. What works well with the current SSP?
3. What do you not like about the current SSP?
4. What does not work well with the current SSP?
5. Any other thoughts on SSP
modifications/improvements/making the document more
person-centered.
