SIMULTANEOUS HIRING EVENTS ACROSS THE STATE HIGHLIGHT DISABILITY EMPLOYMENT AWARENESS MONTH IN NEW MEXICO

(September 29, 2026) — A state-wide simultaneous hiring event and training sessions for employers are among the events taking place throughout New Mexico in October for National Disability Employment Awareness Month (NDEAM). NDEAM celebrates the contributions of workers with disabilities and showcases supportive policies and practices that benefit both employees and employers. October 2026 marks the 81st anniversary of NDEAM and this year's theme is "Celebrating Value and Talent."

From 1 p.m. to 4 p.m. on Thursday, October 22, the Department of Workforce Solutions is teaming with the New Mexico Division of Vocational Rehabilitation (NMDVR) and other state agencies to host 18 hiring events at America's Job Center-New Mexico locations and other sites all around the state. These hiring events are open to all, although they are especially geared towards supporting New Mexicans with disabilities seeking employment and employers interested in working with this largely untapped resource.

NMDVR hosts training sessions and resource fairs on October 1 and 15 for companies and organizations looking to recruit, hire, or retain employees with disabilities. The sessions take place from 9 a.m. to noon at Goodwill Opportunity Center, 5000 San Mateo Blvd. NE in Albuquerque (October 1) and the Student Resource Center at Doña Ana Community College-East Mesa, 2800 Sonoma Ranch Blvd. in Las Cruces (October 15). To register for October 1: <https://www.zeffy.com/en-US/ticketing/ndeam-training-session-and-resource-fair>. For October 15: www.zeffy.com/en-US/ticketing/ndeam-training-session-and-resource-fair-las-cruces. A similar event in Albuquerque on October 1 kicked off the state's NDEAM commemoration.

On Wednesday October 21, the national Job Accommodation Network is teaming with the New Mexico Commission for the Blind to offer a virtual custom training: "Tips for Designing Accessible Application Processes." The session is open to employers, HR practitioners, job developers, and self-advocates across the state and will explore the relationship between accessibility and accommodations. The webinar runs from 1:30 to 2:30 and can be accessed at <https://us02web.zoom.us/j/88421294642?pwd=ZYs3xfE77GWdv1iwM1MeLsbRg2sg4k.1>.

Various cities and counties throughout New Mexico are also marking October with proclamations to recognize the importance of disability employment awareness and the NMDVR State Rehabilitation Council will be announcing its awards for 2026 in October, honoring employers, partner organizations, program participants, and outstanding NMDVR employees.
