**Investment Holdings Report**  
**Notes to Report**  
**September 30, 2022**

Page 11 reflects the summary of activity in the State Investment Council's portfolio for the month ended September 30, 2022, Items to note are as follows:

- The monthly contribution from the State Land Office in the amount of \$263,712,420 is an increase of \$6,996,166 from August. For year-to-year comparison purposes, the September 2021 contribution from the State Land Office was \$125,285,967.
- The monthly beneficiary distributions of \$84,526,834 and \$22,149,301 from the permanent funds are reflected in the Land Grant Permanent Funds (LGPF) and Severance Tax Permanent Fund (STPF), respectively.
- The August 2022 New Mexico Small Business Investment Corporation (NMSBIC) value of \$114,095,567 and the June 2022 Small Business Recovery Loan program value of \$150,386,187 are reflected in the Severance Tax Permanent Fund's Small Business Investment Corp and Small Business Recovery Loan amount.
- Contributions, withdrawals, and rebalancing by Third Party Clients are reflected on pages 23 thru 37. In September, the following activity was processed:
  - NM Tech withdrew \$1,449,184 from their Foundation Fund account.
  - NMMFA invested \$1,033,238 into their IFT Housing account.
- The differences between the JPM month-end daily NAV and the IHR values are mainly due to timing differences. JPM will not reflect the SLO amounts received, or any other amounts at DFA, until the cash is transferred to JPM. Those funds are reflected at DFA and incorporated into the IHR. Also, the month-end daily NAV is a pre-reconciled value, meaning there are market value adjustments or other investment transactions that are pending processing and reconciling.

The total on page 16 reflects only the investment pools included on page 11 as a sub-total.

The total on page 22 is inclusive of the permanent funds and exclusive of the third-party investors.

This report contains the first quarter summaries on pages 38-66.
