THE NAVAJO NATION SUPPLEMENTAL FUNDING PROPOSAL SUMMARY

PART I. Business Unit No.: <u>104001</u>		Program Title: <u>DOJ/OFFICE OF THE ATTORNEY GENERAL</u>	
Division/Branch: <u>EXECUTIVE</u>	Amount Requested: <u>\$745,311</u>	Prepared By: <u>Eveline Curley-Sandoval</u>	
Phone No.: <u>928-871-6228</u>	Email Address: <u>esandoval@navajo-nsn.gov</u>		

PART II. REASON FOR REQUEST AND STATEMENT OF NEED:

The Office of the Attorney General is requesting supplemental funding in the amount of \$745,311 to address a critical funding gap in the Fiscal Year allocation. The current budget does not provide sufficient resources to maintain existing staffing levels and operational needs to sustain the essential legal services. Without this funding, the Department will be unable to meet its core mandate of protecting the legal interest of the Navajo Nation. This funding request allows the Department to be fully funded until Winter Council Session.

The requested funds will directly support the following:

(1) **\$564,921 - (2001) Personnel:** Funding is needed fill the Attorney General and Deputy Attorney General positions until Winter Council Session. It also allows for all regular full time employees to receive fringe benefits until Winter Council Session.

(2) **\$96,554- (7000) Special Transactions:** Supports recruitment, professional licensure for attorneys practicing in tribal, state, and federal jurisdictions, background checks, insurance premiums for (55) employees, staff training, mandatory dues, media, and public legal outreach.

(4) **\$62,280 - (3000) Travel:** Travel funding is required to support mandatory litigation appearance, legal consultations, government coordination, mandatory training, meeting and legal support for the Nation. The absence of this funding would restrict mobility and delay essential legal work. This request would fund the Department's travel until Winter Council Session.

(5) **\$18,935 - (4000) Supplies:** Necessary to maintain daily operations procure standard supplies and ensure proper documentation and records management across DOJ divisions. This request would fund the Department's supplies until Winter Council Session.

(6) **\$296 - (5000) Leasing Rental:** Covers essential lease agreements for mail equipment and outside conference space for case strategy and interagen collaboration. This request would fund the Department's leasing rental until Winter Council Session.

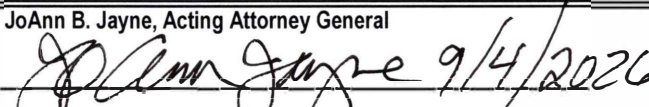

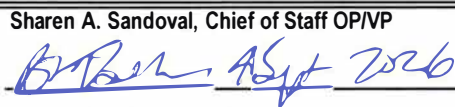

(7) **\$1,536 - (6000) Repairs and Maintenance:** Covers the equipment maintenance for four (4) xerox Machine within two DOJ Buildings. This request would fund the Department's repairs until Winter Council Session.

(8) **\$796 - (5500) Communications and Utilities:** Supports wireless broadband and mobile service plans for staff who must maintain communication with legal representatives, support, inter-office, constituents and the courts. This would fund the Department's communications until Winter Council Session.

PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED:

This supplemental funding is essential to stabilize our current operations not to expand but to preserve the workforce and resources already in place without these funds. The Department will be forced to limit serves, return fleet vehicles, and rely solely on remote communications, undermining our ability to represent the Nation effectively. This will also result in the Department retaining key personnel which will directly impacting our legal capacity in ongoing and high stakes litigation. The request amount represents a strategic and necessary investment in the continue protection of the Navajo Nation's sovereignty legal integrity, and institutional stability.

PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.
