History: 1953 Comp., § 3-4-1, enacted by Laws 1969, ch. 240, § 59.

1-4-1.1. Authorization to verify voter registration information; investigation and reconciliation.

A. The secretary of state may:

(1) provide to the chief election officer of another state or a consortium of chief election officers of other states information that is requested, including social security numbers, dates of birth, driver's licenses and identification card numbers and other information that the secretary of state deems necessary for the chief election officer of that state or for the consortium to maintain a voter registration list, if the secretary of state is satisfied that the information provided pursuant to this paragraph will be used only for the maintenance of that voter registration list; and

(2) request from the chief election officer of another state or a consortium of chief election officers of other states information that the secretary of state deems necessary to maintain the statewide voter registration list.

B. The secretary of state may enter into a written agreement with an agency or political subdivision of this state or with a department of the federal government pursuant to which the state agency, political subdivision or federal department shall provide to the secretary of state information that is in the possession of the state agency, political subdivision or federal department and that the secretary of state deems necessary to maintain the statewide voter registration list.

C. The secretary of state shall enter into a written agreement with the secretary of taxation and revenue to match information in the database of the voter registration electronic management system with information in the database of the motor vehicle division of the taxation and revenue department to the extent required to enable each official to verify the accuracy of the information provided on applications for voter registration. Upon the execution of the written agreement, the secretary of taxation and revenue shall enter into an agreement with the federal commissioner of social security pursuant to 52 U.S.C. Section 21083, for the purpose of verifying applicable information.

D. The secretary of state shall provide to the appropriate county clerk in this state and to no other person necessary information or documentation received by the secretary of state from or through an agency or political subdivision of this state, a federal department, the chief election

officer of another state or a consortium of chief election officers of other states that calls into question the information provided on a certificate of registration; that raises questions regarding the status of a person registered to vote in this state; or that suggests that a voter may have voted in two states during the same election. The county clerk shall not disclose information received from the secretary of state pursuant to this subsection except as necessary to complete an investigation pursuant to this section. The county clerk shall investigate or reconcile the information received from the secretary of state.

E. The secretary of state shall develop a general program that is uniform and nondiscriminatory for county clerks to investigate and reconcile the information received from the secretary of state and to identify voters who may be eligible for cancellation from the statewide voter registration list. The general program shall describe the best practices and requirements for investigating and reconciling information that is derived from comparisons of different databases, including safeguards to ensure that eligible voters are not removed in error from the official list of voters, and provide a procedure to cancel certificates of registration for voters:

- (1) confirmed to have voted in another state requiring residence in that state if previous to the out-of-state vote, the voter was registered to vote in this state; or

History: 1953 Comp., § 3-6-3, enacted by Laws § 10; 1993, ch. 19, § 1; 1993, ch. 21, § 1; 1999, ch. 267, 1969, ch. 240, § 129; 1975, ch. 255, § 84; 1977, ch. 269, § 5; 2015, ch. 145, § 42; 2019, ch. 212, § 61.
§ 2; 1981, ch. 150, § 1; 1987, ch. 327, § 7; 1989, ch. 392,

1-6-3.1. Voluntary permanent absentee voter list; procedures.

A. A voter, except a federal qualified elector who is subject to the provisions of the Uniform Military and Overseas Voters Act [1-6B-1 to 1-6B-17 NMSA 1978] or the Intimate Partner Violence Survivor Suffrage Act [1-6C-1 to 1-6C-9 NMSA 1978], may apply to be added to the voluntary permanent absentee voter list for the county in which the voter is registered by completing a paper or online application that conforms to the mailed ballot application requirements of Section 1-6-4 NMSA 1978, except that the voluntary permanent absentee voter application shall provide an additional checkbox for the voter to affirm that reads:

"[] I am requesting to be added to the voluntary permanent absentee voter list in my county. This means that the county clerk shall automatically send a mailed ballot to the mailing address listed on my certificate of voter registration each time there is a statewide election that includes my precinct."

B. Upon receipt of an application from a voter requesting to be added to the voluntary permanent absentee voter list, the county clerk shall process the application in the same manner as an application for a mailed ballot, except that the county clerk shall not accept an application to be added to the voluntary permanent absentee voter list if the voter's mailing address on the certificate of registration is outside of New Mexico.

C. Upon acceptance of the application to be added to the voluntary permanent absentee voter list, the county clerk shall add the voter's name to the voluntary permanent absentee voter list in the county. The voluntary permanent absentee voter list shall contain the voter's name, year of birth, address and precinct in the county.

D. A voter whose name appears on the voluntary permanent absentee voter list shall remain on the list, except as provided in Subsection F of this section, and shall be sent a mailed ballot by the county clerk for each statewide election conducted that includes the precinct in which the voter is eligible to vote. The mailed ballot shall be sent in the first batch of mailed ballots delivered to voters in that election.

E. At least forty-nine days before each statewide election, the county clerk shall send to each voter on the voluntary permanent absentee voter list a notice reminding the voter that the voter will be receiving a mailed ballot for that election. The notice shall also inform the voter of how to remove the voter's name from the voluntary permanent absentee voter list if the voter would like to do so. The notice shall be sent using non-forwardable mail with return postage prepaid.

F. A voter shall be removed from the voluntary permanent absentee voter list by the county clerk for the following reasons:

- (1) the voter fails to return a mailed ballot in two consecutive elections, including at least one general election;
- (2) the county clerk has sent a mailed ballot or other piece of election mail to the voter's mailing address that was subsequently returned as undeliverable;
- (3) the voter's certificate of registration is canceled pursuant to the provisions of Chapter 1, Article 4 NMSA 1978;

(4) the voter updates the voter's certificate of registration indicating an address that is outside of the county for which the voter is listed on the voluntary permanent absentee voter list; or

(5) the voter submits a written request to the county clerk requesting to be removed from the voluntary permanent absentee voter list.

G. A county clerk shall take the necessary steps to attempt to contact and notify a voter who is removed from the voluntary permanent absentee voter list. If a voter is removed from the voluntary permanent absentee voter list, the voter shall only be added again if the voter submits a new voluntary permanent absentee voter application.

H. A county clerk shall maintain the voluntary permanent absentee voter list for the county and shall make the voluntary permanent absentee voter list available on request pursuant to the provisions of Section 1-4-5.5 NMSA 1978.

History: Laws 2023, ch. 84, § 10.

1-6-4. Mailed ballot application.

A. In a statewide election, application by a voter for a mailed ballot shall be made only on the official form approved by the secretary of state or its online equivalent accessed through a website authorized by the secretary of state. The form shall identify the applicant and contain information to establish the applicant's qualification for issuance of a mailed ballot under the Absent Voter Act. A voter who has declined to designate on the voter's certificate of registration a party affiliation shall be provided the option on the application form for a mailed ballot in a primary election to request the ballot of one of the parties participating in the primary election.

B. Each application on a paper form for a mailed ballot shall be signed by the applicant and shall require the applicant's printed name, registration address and year of birth. When submitted by the voter, the county clerk shall accept an application for a mailed ballot pursuant to this subsection regardless of whether the application for a mailed ballot is delivered to the county clerk on paper or by electronic means. When submitted by a third party, the county clerk shall not accept an application for a mailed ballot pursuant to this subsection if the application for a mailed ballot is delivered by electronic means.

C. The secretary of state shall allow a voter to submit an online application for a mailed ballot through a website authorized by the secretary of state; provided that the voter shall have a current or expired New Mexico driver's license or state identification card issued by the motor vehicle division of the taxation and revenue department. An online request for a mailed ballot shall contain all of the information that is required for a paper form. The voter shall also provide the person's full New Mexico driver's license number or state identification card number.

☐ I am the person whose name and identifying information is provided on this form and I desire to request a mailed ballot to vote in the state of New Mexico; and

☐ All of the information that I have provided on this form is true and correct as of the date I am submitting this form."

E. Online applications for mailed ballots shall retain the dates of submission by the qualified elector and of acceptance by the county clerk. For purposes of deadlines contained in the Election Code, the time and date of the submission by the voter shall be considered the time and date when the application for a mailed ballot is received by the county clerk.

F. New registrants who registered for the first time in this state by mail and at that time did not provide acceptable documentary identification as required by federal law shall be informed of the need to comply with federal identification requirements when returning the requested ballot and notified that if the registrant votes for the first time in New Mexico by mail and does not follow the instructions for returning the required documentary identification, the registrant waives the right to secrecy in that mailed ballot. The secretary of state shall issue rules to exempt voters from submitting identification only as required by federal law and shall review and, if necessary, update these rules no later than March 15 of even-numbered years.

G. A person who willfully and with knowledge and intent to deceive or mislead any voter, election board, canvassing board, county clerk or other election official and who falsifies any information on an absentee ballot request form or who affixes a signature or mark other than the person's own on a mailed ballot request form is guilty of a fourth degree felony.

B. A person who collects applications for mailed ballots and fails to submit a voter's completed application is guilty of a petty misdemeanor.

C. A person who intentionally alters another voter's completed application for a mailed ballot is guilty of a fourth degree felony.

History: Laws 2005, ch. 270, § 41; 2007, ch. 337, § 9; 2019, ch. 212, § 63.

1-6-5. Processing application; issuance of ballot.

A. The county clerk shall mark each completed application for a mailed ballot with the date and time of receipt in the clerk's office and enter the required information in the ballot register. The county clerk shall then determine if the applicant is a voter and if the voter is a uniformed-service voter or an overseas voter. If the applicant is a uniformed-service voter or overseas voter, the application shall be processed pursuant to the Uniform Military and Overseas Voters Act [Chapter 1, Article 6B NMSA 1978]. An application for a mailed ballot from a voter who is not a federal qualified elector is timely if received by the county clerk no later than fourteen days prior to election day.

B. If the applicant does not have a valid certificate of registration on file in the county, a mailed ballot shall not be issued and the county clerk shall mark the application "rejected" and file the application in a separate file from those accepted.

C. When required by federal law, if the applicant has on file with the county a valid certificate of registration that indicates that the applicant is a voter who is a new registrant in the state and who registered by mail without submitting the required documentary identification, the county clerk shall notify the voter that the voter must submit with the mailed ballot a form of documentary identification from the list in Paragraph (3) of Subsection I of Section 1-4-5.1 NMSA 1978. The county clerk shall note on the ballot register and signature roster that the applicant's mailed ballot must be returned with the required voter identification.

D. If the applicant has on file with the county a valid certificate of registration, the county clerk shall mark the application "accepted" and deliver a mailed ballot to the voter and the required envelopes for use in returning the ballot.

E. Upon the mailing of a mailed ballot to an applicant who is a voter, an appropriate designation shall be made in the absentee ballot register.

F. A mailed ballot shall not be delivered by the county clerk to any person other than the applicant for the ballot. Mailed ballots shall be sent to applicants beginning twenty-eight days before the election. For each application for a mailed ballot received twenty-three or more days before the election, the county clerk shall send either the ballot or a notice of rejection to the applicant as soon as practicable; provided that the ballot or a notice of rejection is sent not later than twenty-two days before the election. For each application for a mailed ballot received within twenty-two days of election day, the county clerk shall send either the mailed ballot or a notice of rejection to the applicant within twenty-four hours after receipt of the voter's application for a mailed ballot.

G. If the application for a mailed ballot from a voter who is not a federal qualified elector indicates that the mailed ballot is to be delivered to an address other than an address listed on the voter's certificate of registration, the county clerk shall prepare a notice of requested mailed ballot. The notice of requested mailed ballot shall inform the voter of the address to which the ballot was mailed along with the phone number of the county clerk's office and the internet address of the voter web portal provided by the secretary of state. The notice of requested mailed ballot shall be sent to the address provided on the voter's certificate of registration on the same day the county clerk sends the mailed ballot to the address requested by the voter.

H. When an application for a mailed ballot is rejected pursuant to this section, the county clerk shall send a notice of rejection to the mailing address on the voter's certificate of registration and the address listed on the voter's application for mailed ballot, if different. The notice of rejection shall indicate the reason for the rejection and, if applicable, information on how to correct the deficiency that is the reason for the rejection. If an application is rejected because it was not timely received, the county clerk shall, within twenty-four hours of receipt of the application, send a rejection notice to the voter that shall include a list of the early voting locations and election day polling places in the county.

I. The county clerk shall only accept applications for a mailed ballot made through the official web portal operated by the secretary of state or submitted on the official form. If a voter submits more than one application for a mailed ballot containing the same information, subsequent applications containing the same information shall not be processed.

If additional late ballots are received, the county clerk shall update the number of late ballots from each category to the secretary of state.

B. On the day a returned mailed ballot is received by the county clerk, the county clerk shall mark the date of receipt on the outside of the official mailing envelope. Within one business day of receiving a returned official mailing envelope, the county clerk shall remove the privacy flap to verify that the voter signed the official mailing envelope and to confirm that the last four digits of the social security number provided by the voter match the information available to the county clerk; provided that no county clerk or deputy county clerk shall perform the verification process pursuant to this subsection unless the county clerk or deputy county clerk would also meet the requirements to be a challenger, watcher or election observer pursuant to Paragraphs (1) through (4) of Subsection C of Section 1-2-22 NMSA 1978.

C. If the voter's signature is present and the last four digits of the voter's social security number match, the county clerk shall note in the absentee ballot register that the information required to be provided by the voter under the privacy flap has been verified and shall safely keep the official mailing envelope unopened in a locked and number-sealed ballot box until it is delivered to the absent voter election board.

D. If either the voter's signature is missing or the last four digits of the voter's social security number are not provided or do not match, the county clerk shall make the appropriate notation in the absentee ballot register and shall safely keep the official mailing envelope unopened in a secured ballot box designated for those official mailing envelopes received that are missing the voter's signature or the last four digits of the voter's social security number or where the last four digits of the social security number do not match the information available to the county clerk. E. If, pursuant to Subsection F of Section 1-6-4 NMSA 1978, the voter was notified of the need to comply with federal identification requirements when returning the requested ballot and failed to comply, the county clerk shall preserve the inner envelope with the official mailing envelope and write "Rejected" on the front of the official mailing envelope, and the county clerk shall update the ballot register accordingly and immediately send the voter a notice to cure containing information regarding how the voter may provide the missing or incorrect information. The county clerk shall place the official mailing envelope with the attached inner envelope in a container provided

for rejected ballots; provided that if the county clerk was required to open the inner envelope to determine that the required documentary identification was not included, the untallied ballot shall be returned to the inner envelope and preserved along with the official mailing envelope in a container for this purpose.

F. The voter may provide the missing or corrected information at any time up to the conclusion of the appeal process for rejected ballots. If a voter provides the missing or corrected information:

If the unopened official mailing envelope is received by the county clerk from an election board after the absent voter election board has adjourned, the unopened official mailing envelope shall be transmitted to an election board convened to assist in preparation of the county canvass report to be tallied and included in the canvass report of that county for the appropriate precinct.

B. If the county clerk has real-time synchronization between the voter convenience centers and the qualification of ballots received by mail, the voter shall be issued a replacement ballot to be filled out and fed by the voter into the electronic vote tabulator. If the county clerk does not have real-time synchronization between the voter convenience centers and the qualification of ballots received by mail, the voter shall be issued a provisional paper ballot, which shall be counted if no challenge is interposed and once the county clerk has verified that no other ballot from the same voter has been processed in that election.

D. The county clerk shall mail each voter in the mail ballot election precinct an absentee ballot on the twenty-eighth day before an election, unless the voter has requested otherwise or does not return the card required by Subsection C of this section indicating which party ballot the voter chooses for that election, along with a notice that there will be no polling place in that precinct on election day.

1-6C-3. Elections covered; automatic delivery of ballots; form of ballot and ballot materials; confidentiality.

A. The procedures in the Intimate Partner Violence Survivor Suffrage Act apply to all elections and operate notwithstanding other provisions of the Election Code [Chapter 1 NMSA 1978] or state or local laws related to elections to the contrary.

B. Upon a person's certification as a participant, the administrator shall determine whether the participant is a voter. If the participant is not a voter but appears to be a qualified elector, the administrator shall offer the participant the opportunity to register to vote.

C. A voter-participant shall vote exclusively by mailed absentee ballot or mailed ballot. In each election in which a voter-participant is eligible to vote, the administrator shall send a mailed absentee ballot or a mailed ballot to the voter-participant without requiring a request or application to receive a ballot.

D. The form of the ballot for a voter-participant shall be the same as the ballot provided to all other voters. A voter-participant may vote for all candidates and on all questions as if the voter were casting a ballot in person.

E. The form of the ballot materials for voter-participants shall be the same as the ballot materials provided to all other voters, except as required to implement the Intimate Partner Violence Survivor Suffrage Act.

1-6C-4. Voter records; certification; decertification; cancellation.

Notwithstanding the provisions of the Voter Records System Act [Chapter 1, Article 5 NMSA 1978], the secretary of state shall:

A. maintain within the state voter registration electronic management system a secured module. Voter-participant registration records shall be maintained in the secured module and shall be accessible only as required by staff designated by the secretary of state. Voter-participant registration records shall not appear in the voter file or the county voter list, be accessible by any county user or be viewable by the public;

B. maintain a register of voter-participants, which shall serve as a supplement to the county register for the county in which each voter-participant's voter registration residential address is located. The register maintained by the secretary of state shall be filed in a fire-resistant container;

C. upon the determination that a participant is an existing voter, proceed to transfer all voter registration records related to the voter-participant from the voter file to the secured module and shall notify the appropriate county clerk, who shall immediately transfer the voter-participant's voter registration documents from the county register to the secretary of state. Voter registration records related to a voter-participant shall not be maintained in the county register or by the county clerk;

D. when a participant executes a new or updated certificate of registration, fulfill the duties of the appropriate county clerk in placing the voter-participant's certificate of registration in the register maintained by the secretary of state and entering the information into the secured module;

(2) if the retention period for voter registration records provided in Section 1-4-32 NMSA 1978 has not expired, deliver the certificate of registration and other documents pertaining to the canceled voter to the appropriate county clerk for placement in the county register for the remainder of the retention period.

History: Laws 2019, ch. 226, § 4.

1-6C-5. Random identifier and verification code.

A. Prior to each election, the administrator shall assign to each voter-participant eligible to vote in that election a random identifier and a verification code for use in that election only.

B. In the mailed absentee ballot or mailed ballot process, the random identifier shall be used in place of the voter-participant's required voter identification and the verification code shall be used in place of the voter-participant's signature.

C. At the same time a ballot is mailed to a voter-participant, the administrator shall separately send the voter-participant the verification code assigned to the voter-participant for that election, along with instructions to place the verification code where a voter normally provides a signature under the privacy flap of a mailed absentee ballot or mailed ballot.

History: Laws 2019, ch. 226, § 5.

1-6C-6. Transmission of ballots to voter-participants.

A. On the thirty-fifth day before an election, on behalf of each voter-participant eligible to vote in that election, the administrator shall request from each appropriate county clerk the ballot to be used by each voter-participant registered to vote in that county.

B. The request shall not reveal the name or address of the voter-participant. In place of a voter-participant's name and address, the administrator shall provide the appropriate county clerk the random identifier and verification code associated with the voter-participant for that election. The request made pursuant to this section is a record related to voting subject to the disclosure and retention procedures of Section 1-12-69 NMSA 1978.

C. No later than thirty-two days before the election, the appropriate county clerk shall transmit to the administrator the ballot for each voter-participant registered to vote in that county.

D. Twenty-eight days before the election, the administrator shall mail a ballot and balloting materials to a voter-participant's delivery address, along with a return envelope necessary to return the voted ballot to the appropriate county clerk. The return envelope shall be the same as for all other voters, except that in place of the required voter identification to be written under the privacy flap, the administrator shall provide the random identifier assigned to that voter-participant for that election. The return envelope for the voted ballot shall be postage-paid and the return address shall be the address for the appropriate county clerk.

E. When a participant registers to vote or updates a voter registration after the thirty-fifth day before an election but before the deadline to register to vote or to update an existing registration pursuant to Section 1-4-8 NMSA 1978, the administrator shall:

(1) request from the appropriate county clerk, and the appropriate county clerk shall transmit to the administrator as soon as practicable, a ballot and balloting materials; and

(2) send a voter-participant the ballot and balloting materials within twenty-four hours of receipt from the appropriate county clerk.

F. When an unvoted ballot is transmitted to the administrator on behalf of a voter-participant, the appropriate county clerk shall note in the ballot register the random identifier in place of the voter-participant's name and the address of the confidential substitute address program in place of the voter-participant's address and shall not note the voter-participant's gender or year of birth.

G. A voter-participant needing a replacement ballot may appear in person only at the office of the county clerk and execute an affidavit stating that the voter participant wishes to void any previous mailed ballot that was mailed in that election. When completing the affidavit, the voter-participant shall use the random identifier in place of the voter-participant's name and the verification code in place of the voter-participant's signature. Upon receipt of the sworn affidavit, if the ballot register does not show that a ballot from the voter-participant has been received in that election, the county clerk shall void the ballot that was previously issued and issue to the voter-participant a replacement ballot and ballot materials, which shall include the voter-participant's random identifier, but the county clerk shall not provide to the voter-participant the verification code when issuing a replacement ballot pursuant to this subsection.

History: Laws 2019, ch. 226, § 6; 2023, ch. 39, § 40.

1-6C-7. Receipt of voted ballots from voter-participants.

A. A voted ballot shall be returned by the voter-participant to the appropriate county clerk. A voted ballot from a voter-participant shall be considered timely if it is received no later than the deadline for receiving mailed absentee ballots or mailed ballots pursuant to Section 1-6-10 NMSA 1978.

B. When a voted ballot is received from a voter-participant, the appropriate county clerk or election board shall compare the random identifier provided by the voter-participant under the privacy flap to the list of random identifiers provided by the administrator for that election. If the random identifier appears in both places, the appropriate county clerk shall verify that the verification code assigned to that random identifier for that election matches the verification code provided by the voter-participant under the privacy flap in lieu of the voter's signature. If the verification code is on the list provided by the administrator for use in that election and matches the random identifier assigned by the administrator to identify the voter-participant, the ballot shall be qualified and processed in the same manner as mailed absentee ballots or mailed ballots received and qualified in that election.

C. If either the random identifier or the verification code is missing, or if the random identifier and verification code under the privacy flap do not match, the ballot shall not be qualified and shall be disposed of in the same manner as mailed absentee ballots or mailed ballots received in that election and not qualified.

D. Following an election and within the time frames provided in the Election Code, the appropriate county clerk shall provide to the administrator using the random identifier for that election the voter credit information for each voter-participant who voted.

History: Laws 2019, ch. 226, § 7; 2023, ch. 39, § 41.

1-6C-8. Statewide election; state canvass report.

The secretary of state shall prepare a public report to be included with the state canvass results of each statewide election. The report shall include the total number of statewide:

- A. participants;
- B. voter-participants who were sent a ballot;
- C. voter-participants who returned a ballot; and
- D. ballots from voter-participants that were qualified and counted.

History: Laws 2019, ch. 226, § 8.

1-6C-9. Judicial proceedings.

A. In a judicial proceeding related to an election, upon good cause shown and only as is required to complete the judicial proceeding, a judge may permit in-camera inspection of a voter-participant's voter registration information and information related to participation in the confidential substitute address program.

B. The administrator shall be notified and joined as an indispensable party on behalf of the confidential substitute address program in a judicial proceeding related to an election whenever a judge considers permitting in-camera inspection of any information related to a voter-participant and before such determination is made.

C. In a judicial proceeding related to an election in which the secretary of state is a party in the secretary's capacity as the chief election officer of the state and the administrator is joined as an indispensable party on behalf of the confidential substitute address program, the attorney general shall provide separate representation for the secretary of state and for the administrator.

D. Information reviewed in-camera pursuant to this section shall not be admitted into evidence unless the information is the basis for the final judgment by the court.

A. To qualify as a political party in New Mexico, each political party through its governing body shall adopt rules providing for the organization and government of that party and shall file the rules with the secretary of state. Uniform rules shall be adopted throughout the state by the county organizations of that party, where a county organization exists, and shall be filed with the county clerks. At the same time the rules are filed with the secretary of state, the governing body of the political party shall also file with the secretary of state a petition containing the hand-printed names, signatures, addresses of registration and counties of residence of at least one-half of one percent of the total votes cast for the office of governor at the preceding general election who declare by their signatures on the petition that they are voters of New Mexico and that they desire the party to be a qualified political party in New Mexico. C. A qualified political party shall cease to be qualified for the purposes of the Election Code [Chapter 1 NMSA 1978] if two successive general elections are held without at least one of the party's candidates on the ballot or if the total votes cast for the party's candidates for governor or president of the United States, provided that the party has a candidate seeking election to either of these offices, in a general election do not equal at least one-half of one percent of the total votes cast for the office of governor or president of the United States, as applicable. B. The secretary of state shall provide to the county clerk of each county at least one optical scan tabulator for use in each polling location in the general and primary elections. At the request of a county clerk, the secretary of state shall provide additional optical scan tabulators for use in a polling place to accommodate the anticipated number of voters in that polling place and to preserve the secrecy of the ballot. The request shall be made no later than the first Monday in August of each odd-numbered year.

C. The secretary of state shall provide to the county clerk of each county a sufficient number of check-in stations for use in each polling location in the primary and general elections when electronic rosters or their equivalents are used. The number of check-in stations at a polling location shall be capable of accommodating the number of voters who appeared to vote in person on election day from the precincts represented in a consolidated precinct in the same election held four years earlier or the number of voters who actually voted in that polling location four years earlier, whichever is greater; provided that no polling location shall be provided fewer than two check-in stations. No later than the last Tuesday in June of each odd-numbered year, the secretary of state shall determine how many voters a check-in station can accommodate in a day and develop a formula so that a check-in station is in use no more than seventy-five percent of the time. No later than the first Monday in August of the odd-numbered year, the county clerk in each county shall provide to the secretary of state the number of check-in stations required per polling location based on the formula provided by the secretary of state. C. The additional voting systems shall be of a type certified by the secretary of state. They shall be purchased by the state board of finance. Unless paid in full by the county at the time of purchase, the cost of the voting systems, including all transportation costs, shall be paid out of the voting system revolving fund. The state board of finance shall cause to be delivered to each county clerk the additional voting systems.

A. All voting systems used in elections covered by the Election Code shall use a paper ballot on which the voter physically or electronically marks the voter's choices on the ballot itself.

B. The secretary of state shall purchase the paper ballots for all counties to use for primary and general elections. If a system designed to print ballots at a polling location is certified and the voting system certification committee finds that its use in a polling place would result in cost savings, the secretary of state shall acquire such systems and paper ballot stock in lieu of fully preprinted paper ballots for those polling places where cost savings would be realized.

C. The paper ballot shall be used in a recount proceeding, and in case of a discrepancy, the paper ballot shall be considered the true and correct record of the voter's choices.

D. The secretary of state shall establish by rule procedures to enable blind or visually impaired voters to independently mark a paper ballot using nonvisual access or low vision access technology, whether voting in a polling place or by absentee ballot.

B. A person at a primary election shall not be permitted to vote for the candidate of any party other than the party designated on the person's current certificate of registration; provided that a person who has declined to designate a political party affiliation on the person's certificate of registration shall be permitted to choose to affiliate with a major political party in a primary election by requesting a major political party's primary election ballot and shall be permitted to vote for the candidates on that party's ballot.

History: 1953 Comp., § 3-12-10, enacted by Laws 1969, ch. 240, § 246; 1987, ch. 249, § 25; 1991, ch. 105, § 25; 1993, ch. 314, § 54; 1993, ch. 316, § 54; 1999, ch. 267, § 31; 2003, ch. 356, § 29; 2025, ch. 54, § 4.

1-12-7.1. Voter lists; signature rosters; checklist of voters; use during election.

A. At each election day polling location, other than a consolidated precinct where any voter in the county may vote, the precinct board [election board] shall post securely at or near the entrance of the polling place one copy of an alphabetical list of voters and a map of the precincts represented

in that polling place for use of the voters prior to voting. The posted copy shall not contain a listing of voter addresses, years, months or days of birth or social security numbers.

B. At each polling location where physical rosters are used, the presiding judge of the precinct board [election board] shall assign one judge or election clerk of the board to be in charge of one copy of the checklist of voters, which shall be used to confirm the registration and voting of each person offering to vote.

C. The presiding judge of the precinct board [election board] shall assign one judge or election clerk to be in charge of the signature roster.

D. The judge or election clerk assigned to confirm registration shall determine that each person offering to vote is registered and, in the case of a primary election, that the voter is either currently registered in a party designated on the primary election ballot or has declined to designate a party affiliation on the voter's certificate of registration and chooses to affiliate with a major political party for that primary election by requesting a ballot of a party designated on the primary election ballot. If the person's registration is confirmed and the voter provides the required voter identification, the judge or election clerk shall announce to the judges or election clerks the list number and the name of the voter as shown on the checklist of voters. If the voter does not provide the required voter identification, the voter shall be allowed to vote on a provisional paper ballot and shall provide the required voter identification to the county clerk's office before 5:00 p.m. on the second day following the election, or to the precinct board [election board] before the polls close, or the voter's provisional ballot shall not be qualified. If the required voter identification is provided, the voter's provisional paper ballot shall be qualified and the voter shall not vote on any other type of ballot.

E. The judge or election clerk shall locate the name on the signature roster and shall require the voter to sign the voter's usual signature or, if unable to write, to make the voter's mark opposite the voter's printed name. If the voter makes the voter's mark, it shall be witnessed by one of the judges or election clerks of the precinct board [election board].

F. If the signature roster indicates that the voter is required to present a physical form of identification before voting, the judge or election clerk shall ask the voter for the required physical form of identification. If the voter does not provide the required identification, the voter shall be allowed to vote on a provisional paper ballot; provided, however, that if the voter brings the required physical form of identification to the polling place after casting a provisional paper ballot, that ballot shall be qualified.

G. The judge or election clerk shall follow the procedures provided for in Sections 1-12-7.2 and 1-12-8 NMSA 1978 if a person whose name does not appear on the signature roster requests to vote or a person is required to vote on a provisional paper ballot.

H. A voter shall not be permitted to vote until the voter has properly signed the voter's usual signature or made the voter's mark in the signature roster.

A. A voter whose name does not appear on the voter list and signature roster for the precinct in which the voter offers to vote shall be permitted to vote in the precinct pursuant to the federal National Voter Registration Act of 1993 and Section 1-12-8 NMSA 1978.

B. The judges or election clerks in charge of the signature rosters shall add the voter's name and address in ink to the signature roster on the line immediately following the last entered voter's name, and the voter shall be allowed to sign an affidavit of eligibility and cast a provisional paper ballot; provided that the voter has first signed or marked both the signature roster and checklist of registered voters.

C. The provisional paper ballot tracking number for the voter shall be entered on the affidavit of eligibility, the signature roster and the checklist of registered voters.

D. In a primary election, a voter shall not be permitted to vote for a candidate of a party different from the party designation shown on the voter's certificate of registration unless the voter's certificate of registration shows that the voter has declined to designate a party affiliation and the voter chooses to affiliate with a major political party for that primary election by requesting the ballot of a party participating in the primary. Upon making that determination, the county clerk shall transmit the ballot to the county canvassing board to be tallied and included in the canvass of that county for the appropriate precinct.

The order shall, if requested by the petitioner, allow for the copying or reproduction of any items by and at the expense of the petitioner.

B. Ten days from the date of the original order of impoundment or, if an order granting access and inspection has been entered, ten days after that order, the order of impoundment shall automatically terminate unless the court extends the time for good cause shown. The court shall in all cases order the impoundment of ballots terminated no later than thirty days after the entry of the original order of impoundment.

B. Upon failure to make such a showing upon which the court shall so find, the votes of that entire precinct shall be rejected; provided, that no such rejection shall be made where it appears to the court that the members of the precinct board ignored the requirements of the Election Code with the probable interest of procuring the rejection of the entire vote in the precinct.

History: 1953 Comp., § 3-14-17, enacted by Laws 1969, ch. 240, § 342.

1-14-13.1. Repealed.

1-14-13.2. Post-election duties; voting system check.

A. At least ninety days prior to each statewide election or as soon as practicable prior to an election to fill a vacancy in the office of United States representative, the secretary of state shall contract with an auditor qualified by the state auditor to audit state agencies to oversee a check on the accuracy of precinct electronic vote tabulators, alternate voting location electronic vote

tabulators and absent voter precinct electronic vote tabulators. The voting system check shall be conducted for all federal offices, for governor, for contests in the regular local election and for the statewide elective office, other than the office of the governor, for which the winning candidate won by the smallest percentage margin of all candidates for statewide office in New Mexico. The voting system check is waived for any office for which an automatic recount is conducted.

B. For each selected office, the auditor shall publicly select a random sample of precincts from a pool of all precincts in the state no later than twelve days after the election. The random sample shall be chosen in a process that will ensure, with at least ninety percent probability for the selected offices, that faulty tabulators would be detected if they would change the outcome of the election for a selected office. The auditor shall select precincts starting with the statewide office with the largest winning margin and ending with the precincts for the statewide office with the smallest winning margin and then, in the same manner, select precincts from each congressional district. The size of the random sample for each office shall be determined as provided in Table 1 of this subsection. When a precinct is selected for one office, it shall be used in lieu of selecting a different precinct when selecting precincts for another office in the same congressional district, or for any statewide office. If the winning margin in none of the offices for which a voting system check is required is less than fifteen percent, a voting system check for that general election shall not be required.

C. After selecting the random sample of precincts pursuant to Subsection B of this section or as required for a regular local election, the auditor shall also randomly select one precinct from each county where a precinct was not selected in the random sample.

D. The auditor shall notify the appropriate county clerks of the precincts that are to be included in the voting system check upon their selection. The auditor shall direct the appropriate county clerks to open the locked ballot boxes and remove ballots from the selected precincts and:

(1) in a primary or general election, the auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for candidates for offices subject to the voting system check from the selected precincts for each office with the respective vote totals of a hand recount of the paper ballots from those precincts;

(2) in a regular local election, the size of the random sample shall be the largest number of precincts that were used for the random sample in the previous general election. The auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for the three contests with the closest margin between the two candidates receiving the greatest number of votes affecting the final outcome for an office from each of the selected precincts with the respective vote totals of a hand recount of the paper ballots from those precincts; provided that if there are fewer than three contested contests in a precinct, the auditor shall randomly select one or more contests so that three contests are included in the sample from that precinct; and

(3) in an election called to fill a vacancy in United States representative, the auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for candidates for United States representative from the selected precincts with the respective vote totals of a hand recount of the paper ballots from those precincts.

E. The county clerks shall report their results to the auditor within fourteen days of the notice to conduct the voting system check unless a county clerk is aware of a recount in any office that includes one or more precincts in the county, in which case the county clerk shall report the results of the post-election audit to the auditor within fourteen days following the conclusion of the recount.

F. Based on the results of the voting system check and any other auditing results, the auditor shall determine the error rate in the sample for each office. If the winning margin decreases and the error rate based on the difference between the vote totals of hand recounts of the paper ballots and the original precinct vote totals exceeds ninety percent of the winning margin for an office, another sample equal in size to the original sample shall be selected and the original precinct vote totals compared to the vote totals of hand recounts. The error rate based on the first and second sample shall be reported, and if it exceeds ninety percent of the winning margin for the office, the state canvassing board shall order that a full hand recount of the ballots for that office be conducted.

G. The auditor shall report the results of the voting system check to the secretary of state upon completion of the voting system check and release the results to the public.

H. Persons designated as county canvass observers may observe the hand recount described in Subsection D of this section. Observers shall comply with the procedures governing county canvass observers as provided in Section 1-2-31 NMSA 1978.

I. If a recount for an office selected for a voting system check is conducted pursuant to the provisions of Chapter 1, Article 14 NMSA 1978, the vote totals from the hand count of ballots for that office in precincts selected for the voting system check may be used in lieu of recounting the same ballots for the recount.

J. All costs of a voting system check or required hand recount shall be paid in the same manner as automatic recounts.

K. The secretary of state may issue rules to implement voting system checks.

The state auditor shall review the rules, qualification standards and contract terms to ensure they meet audit standards.

History: Laws 2009, ch. 233, § 2.

1-14-14. Recounts; rechecks; application.

A. Whenever any candidate believes that any error or fraud has been committed by any precinct board in counting or tallying the ballots, in the verification of the votes cast on the voting machines or in the certifying of the results of any election whereby the results of the election in the precinct have not been correctly determined, declared or certified, the candidate, within six days after completion of the canvass by the proper canvassing board, may have a recount of the ballots, or a recheck of the votes shown on the voting machines, that were cast in the precinct.

B. All applications for recount or recheck shall be filed with the secretary of state.

History: 1953 Comp., § 3-14-18, enacted by Laws 1969, ch. 240, § 343; 1977, ch. 222, § 82; 2009, ch. 150, § 32; 2018, ch. 79, § 14; 2023, ch. 39, § 73.

1-14-15. Recounts; rechecks; cost of proceedings.

A. An applicant for a recount shall deposit with the proper canvassing board or, in the case of an office for which the state canvassing board issues a certificate of nomination or election, with the secretary of state sufficient cash, or a sufficient surety bond, to cover the cost of a recount for each precinct for which a recount is demanded. An applicant for a recheck shall deposit with the proper canvassing board or, in the case of an office for which the state canvassing board issues a certificate of nomination or election, with the secretary of state sufficient cash, or a sufficient surety bond, to cover the cost of the recheck for each voting machine to be rechecked. The state canvassing board shall determine the estimated actual cost of a recount per polling place and for mailed ballots and a recheck per voting machine no later than March 15 of even-numbered years. The secretary of state shall post the recount and recheck cost determinations on the secretary of state's website when the state canvassing board issues its cost determinations.

B. The deposit or surety bond shall be security for the payment of the costs and expenses of the recount or recheck in case the results of the recount or recheck are not sufficient to change the results of the election.

C. If it appears that error or fraud sufficient to change the winner of the election has been committed, the costs and expenses of the recount or recheck shall be paid by the state upon warrant issued by the secretary of finance and administration supported by a voucher of the secretary of state, or shall be paid by the county upon warrant of the county clerk from the general fund of the county, as the case may be.

D. If no error or fraud appears to be sufficient to change the winner, the costs and expenses for the recount or recheck shall be paid by the applicant. Costs shall consist of any docket fees, mileage of the sheriff in serving summons and fees and mileage of election board members, at the same rates allowed witnesses in civil actions. If error or fraud has been committed by an election board, the board members shall not be entitled to such mileage or fees.

1-14-16. Recount or recheck proceedings.

A. B. Upon receipt of the order, the county clerk shall appoint a recount precinct board pursuant to the provisions of Section 1-2-12 NMSA 1978 and shall send notices of the names of the recount precinct board members and the date fixed for the recount or recheck to the district judge for the county and the county chair of each of the political parties that participated in the election for the office in question. The county clerk shall keep a log of how each person was notified and confirmation that the notice was received. Presiding judges and election judges on the recount precinct board shall be appointed from among those persons who served as precinct board members in the most recent election.

C. The recount precinct board, district judge and county clerk shall meet on the date fixed for the recount or recheck, and the ballot boxes and ballot containers or voting machines of the precincts involved in the recount or recheck shall be opened. The recount precinct board shall recount and retally the ballots, or recheck the votes cast on the voting machines, as the case may be, for the office in question in the presence of the county clerk, district judge and any other person who may desire to be present.

D. After completion of the recount or recheck, the recount precinct board shall replace the ballots in the ballot boxes and ballot containers and lock them, or the voting machines shall be locked and resealed, and the precinct board shall certify to the proper canvassing board the results of the recount or recheck. 1-14-23. Recount procedures.

A. To ensure the accuracy of electronic vote tabulating systems, in a recount, the votes from a random selection of ballots shall be tallied by hand, and the votes from the same ballots shall be tabulated by the electronic vote tabulating systems to be used in the recount. For statewide and federal office, the number of ballots to be tallied and tabulated shall be equal to the greater of one hundred, or two percent, of the ballots cast in each county. For all other offices, the number of ballots to be tallied and tabulated shall be equal to the greater of one hundred, or five percent, of the ballots cast for the office, distributed by county where applicable. If more than one electronic vote tabulating system is to be used in a county, the ballots to be recounted shall be divided among the electronic vote tabulating systems to be used, and the above process shall be performed on each electronic vote tabulating system based on the number of votes to be recounted on each individual electronic vote tabulating system.

B. If the results of the hand tally and the electronic vote tabulating system tabulation do not differ, the remaining ballots shall be recounted using that electronic vote tabulating system. If the results of the hand tally and the electronic vote tabulating system differ, the electronic vote tabulating system shall not be used in the recount and the remaining ballots shall be recounted by hand or on a different electronic vote tabulating system in which the results did not differ.

C. When using an electronic vote tabulating system for a recount, a county clerk may permit a visual inspection of the ballots prior to tabulation by the optical scan tabulating system for the purpose of permitting a representative of a candidate to identify individual ballots to be selected for hand tally by the precinct board.

1-14-24. Automatic recounts; procedures.

A. - (1) one-fourth percent of the total votes cast in that election:
 - (a) for that office in the case of a federal or statewide office;
 - (b) on a ballot question in the case of a state ballot question; or
 - (c) on a nonpartisan judicial retention election in the case of the supreme court or the court of appeals;

the specified office. For an office in which ballots were cast solely within one county, the secretary of state shall file notice with the state canvassing board within seven days after receiving notice from the county clerk following the completion of the county canvass that an automatic recount is required, and the state canvassing board shall order a recount of the ballots for the specified office.

Each member state shall conduct a statewide popular election for president and vice president of the United States.

ARTICLE III

A. Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a "national popular vote total" for each presidential slate.

1-19-26.4. Disclaimers in advertisements.

A. A person who makes a campaign expenditure, a coordinated expenditure or an independent expenditure for an advertisement in an amount that exceeds one thousand dollars (\$1,000), or in an amount that, when added to the aggregate amount of the campaign expenditures, coordinated expenditures and independent expenditures for advertisements made by the same person during the election cycle, exceeds one thousand dollars (\$1,000), shall ensure that the advertisement contains the name of the candidate, committee or other person who authorized and paid for the advertisement.

B. The requirements of Subsection A of this section do not apply to the following:

(1) bumper stickers, pins, buttons, pens and similar small items upon which the disclaimer cannot be conveniently printed; or

(2) skywriting, water towers, wearing apparel or other means of displaying an advertisement of such a nature that the inclusion of a disclaimer would be impracticable.

C. The disclaimer statements required by Subsection A of this section shall be set forth legibly on any advertisement that is disseminated or displayed by visual media. If the advertisement is transmitted by audio media, the statement shall be clearly spoken during the advertisement. If the advertisement is transmitted by audiovisual media, the statement shall be both written legibly and spoken clearly during the advertisement.

D. If a person creates, produces or purchases an advertisement that contains materially deceptive media, the advertisement shall include a disclaimer. The disclaimer shall appear in a clear and conspicuous manner in every language used in the advertisement and shall indicate: "This ____ has been manipulated or generated by artificial intelligence". The blank line in the disclaimer shall be filled with each of the following terms that describes the media:

- (1) image;
- (2) video; or
- (3) audio.

E. The disclaimer required in Subsection D of this section shall be included as follows:

- (1) for visual media that is an image, the text of the disclaimer shall appear in a size that is easily readable;
- (2) for visual media that is video, the disclaimer shall appear for the duration of the video in a size that is easily readable;
- (3) for media that contains audio only, the disclaimer shall be read in a clearly spoken manner and in a pitch that can be easily heard at the beginning of the audio, at the end of the audio and, if the audio is greater than two minutes in length, interspersed within the audio at intervals of not greater than two minutes each; and
- (4) for mixed media, there shall be a disclaimer in the same form as provided in this section for each form of media used.

F. Each occurrence of a person creating, producing or purchasing an advertisement subject to the disclaimer requirements as provided in Subsection D of this section that fails to meet the disclaimer requirements constitutes a separate violation. A person found to have violated the requirements provided in Subsection D of this section shall be subject to civil penalties as provided in Section 1-19-34.6 NMSA 1978.

G. It is not a violation of this section for:

- (1) a radio or television broadcasting station, including a cable television, satellite television or streaming service operator, programmer or producer, that broadcasts an advertisement as part of a bona fide newscast, news interview, news documentary or on-the-spot coverage of a bona fide news event if the broadcast clearly acknowledges through content or a disclaimer, in a manner that can be easily read or heard, that the advertisement was generated in whole or in part by using artificial intelligence and does not accurately represent the speech or conduct of the depicted individual;
- (2) a radio or television broadcasting station, including a cable television, satellite television or streaming service operator, programmer or producer, that broadcasts an advertisement when the station or streaming service is paid to broadcast the advertisement if the station or streaming service can show that it has disclaimer requirements that are consistent with the requirements provided in Subsection D of this section and that it provided those disclaimer requirements to each person or entity that purchased the broadcast or streaming of the advertisement;
- (3) an advertisement that reasonably constitutes satire or parody if the advertisement includes a disclaimer consistent with the requirements provided in Subsection D of this section; and
- (4) a distribution platform that published, posted or distributed an advertisement or a prerecorded phone message if the distribution platform can show that it has disclaimer requirements that are consistent with the requirements provided in Subsection D of this section and that it provided those disclaimer requirements to the person or entity that purchased the distribution of the advertisement or prerecorded phone message by or on the distribution platform.

H. Nothing in this section shall be construed to preclude a claim pursuant to any other section of law or any civil action for damages.

1-19-26.5. Political committees; acknowledgment of responsibilities; penalty.

A. Beginning on July 1, 2021, for all new political committees registering with the secretary of state, the treasurer for the political committee shall submit an electronically signed statement acknowledging the political committee's responsibilities on a form prescribed by the secretary of state within ten days of registering the political committee. The signed acknowledgment statement serves as notification of the responsibilities of the political committee to comply with the financial reporting prescribed in the Campaign Reporting Act and the potential personal liability of the treasurer for penalties assessed against the political committee.

B. The secretary of state shall notify the political committee of any individual who has failed to submit the acknowledgment statement. Failure to return the acknowledgment statement is a violation of this section for which a fine of one hundred dollars (\$100) may be assessed against the political committee. This section also applies to individuals named in an updated or amended registration who have not previously submitted an acknowledgment statement for the political committee.

C. For all political committees already registered with the secretary of state prior to July 1, 2021, the secretary of state shall notify the principal officer and treasurer of record requiring the treasurer to submit an acknowledgment form required in Subsection A of this section. If the political committee does not respond to the request made by the secretary of state or disputes current responsibility for the political committee, the political committee shall not raise or spend any funds until the registration is amended and the acknowledgment form has been signed.

D. If there are already fines accrued against a political committee previously registered with the secretary of state, the treasurer of record shall sign the acknowledgment statement accepting personal liability from that date forward. Outstanding fines are still due unless the secretary of state is compelled to file a petition in court to have the fines dissolved.

1-19-26.6. Political committees; notice of resignation or removal of treasurer.

A. An individual who resigns as the treasurer of a political committee shall submit a written resignation statement to the secretary of state. An individual's resignation is not effective until the secretary of state receives the written resignation statement from the individual and a replacement treasurer is appointed for the political committee. If an individual is involuntarily removed from the position of treasurer, the political committee shall notify the secretary of state by amending the electronic registration maintained by the secretary of state. An individual who resigns as the treasurer of a political committee remains personally liable for any penalties or fines accrued during the time that the individual served in the position.

B. The secretary of state shall prescribe the form and process for notifying the secretary of state of a resignation or replacement of a treasurer and shall maintain all records electronically to the extent practicable.

B. The speaker and minority floor leader of the house of representatives and the majority floor leader and the minority floor leader of the senate shall be the designated leaders of the legislative caucus committees for the members of their political party in their legislative chamber unless two-thirds of the members of a political party in a legislative chamber vote to designate a different leader for the legislative caucus committee from among their members. The results of that vote shall be recorded with the secretary of state.

C. Upon a change of the designated leader of the legislative caucus committee, no funds shall be expended by the legislative caucus committee until the secretary of state has been notified of the change in designated leader of the legislative caucus committee.

A. Except as otherwise provided in Subsections B through D of this section, it is a violation of the Campaign Reporting Act for a person to distribute or enter into an agreement with another person to distribute materially deceptive media. A person violates this subsection if that person distributes or enters into an agreement with another person to distribute materially deceptive media and:

- (1) the person knows the materially deceptive media falsely represents a depicted individual;
- (2) the distribution occurs within ninety days before an election; and
- (3) the person intends the distribution to result in altering the voting behavior of electors in an election by misleading the electors into believing that the depicted individual engaged in the speech or conduct depicted, and the distribution is reasonably likely to cause that result.

B. The prohibition provided in Subsection A of this section does not apply to materially deceptive media if that media includes a disclaimer that appears in a clear and conspicuous manner in every language used in the media and indicates: "This ____ has been manipulated or generated by artificial intelligence". The blank line in the disclaimer shall be filled in with each of the following terms that describes the media:

(4) for mixed media, there shall be a disclaimer in the same form as provided in this section for each form of media used.

D. A person found to have willfully and knowingly violated the prohibition provided in Subsection A of this section is guilty of a crime as follows:

- (1) for a first conviction, a misdemeanor; and
- (2) for a second conviction, a fourth degree felony.

- (1) the attorney general;
- (2) a district attorney;
- (3) a depicted individual who is falsely represented;
- (4) a candidate for office who has been injured or is likely to be injured by the distribution of materially deceptive media; or

- (4) provide for cross-checking and compliance features;
- (5) provide for online registration and fee payment for political committees and lobbyists;
- (6) integrate, to the extent possible, with the reporting required by the Lobbyist Regulation Act [Chapter 2, Article 11 NMSA 1978];
- (7) to the extent possible, provide for a mechanism to directly upload the required data from other third-party tools; and

(8) provide for encrypted transmissions.

C. Registration fees collected by the secretary of state from lobbyists and political committees shall be deposited in the "campaign reporting system fund", which is hereby created in the state treasury. Money in the fund is appropriated to the secretary of state for the purposes of paying for upgrades, maintenance and operation of the electronic reporting system. Money remaining in the fund at the end of a fiscal year shall not revert to the general fund.

(2) twenty-four hours of making the expenditure if the expenditure is in an amount of three thousand dollars (\$3,000) or more and is made within seven days before a nonstatewide or statewide election.

B. The report required by Subsection A of this section shall state:

(1) the name and address of the person who made the independent expenditure;

(2) the name and address of the person to whom the independent expenditure was made and the amount, date and purpose of the independent expenditure. If no reasonable estimate of the monetary value of a particular expenditure is practicable, it is sufficient to report instead a description of the services, property or rights furnished through the expenditure; and

(3) the source of the contributions used to make the independent expenditure as provided in Subsections C and D of this section.

dollars (\$5,000) during the election cycle to the person making the expenditures; provided, however, that a contribution is exempt from reporting pursuant to this paragraph if the contributor requested in writing that the contribution not be used to fund independent or coordinated expenditures or to make contributions to a candidate, campaign committee or political committee.

E. If a person who has made a report required by this section is required to make subsequent reports during the election cycle, the information concerning contributions in the subsequent reports shall cover only contributions not previously reported.

The report shall be filed biannually until the provisions specified in Subsection F, G or H of this section have been satisfied.

B. In an election year, instead of the biannual reports provided for in Subsection A of this section, all reporting individuals, except for public officials who are not candidates in an election that year, shall file reports of all expenditures made and contributions received or, if applicable, statements of no activity, according to the following schedule:

- (1) no later than the second Monday in April, a report of all expenditures made and contributions received on or before the first Monday in April and not previously reported;

Reports shall be required until the reporting individual delivers a report to the secretary of state stating that:

(1) there are no outstanding campaign debts;

(2) all money has been expended in accordance with the provisions of Section 1-19-29.1 NMSA 1978; and

(3) the bank accounts have been closed.

G. If, during a nonelection year, a political committee has not received any contributions or made any coordinated or independent expenditures since it filed its last report pursuant to this section, it need not file any report under this section until the next reporting period, if any, in which it receives contributions or makes expenditures. A political committee that has not received any contributions or made any coordinated or independent expenditures for a continuous period of at least one year may cancel its registration as a political committee by submitting an appropriate request in writing to the secretary of state. The committee shall retain the obligation to submit a new registration pursuant to Section 1-19-26.1 NMSA 1978 in the event that its future activities meet the requisites for registration under that section.

J. Reports required by this section shall be filed electronically by all reporting individuals.

K. Reporting individuals may apply to the secretary of state for exemption from electronic filing in case of hardship, which shall be defined by the secretary of state.

For those contributions, due diligence and best efforts shall be made to disclose on a special prescribed form the sponsor, date, place, total amount received, expenses incurred, estimated number of persons in attendance and other identifiable factors that describe the special event. For purposes of this subsection, "special event" includes an event such as a barbecue or similar fundraiser where tickets costing twenty-five dollars (\$25.00) or less are sold or an event such as a coffee, tea or similar reception; provided that no candidate shall accept contributions of more than twenty-five dollars (\$25.00) in cash at a special event from any one contributor.

E. A candidate or political committee shall not accept a contribution made by a credit card or a debit card via the internet or where the card is not physically present unless, at the time the contribution is made, the contributor provides the card security code assigned to and printed or imprinted on the card and the billing address associated with the card.

B. For purposes of a civil action, it shall be presumed that a candidate who seeks election to a regulatory office, as described in Section 1-19-34.2 NMSA 1978, has advised his campaign committee and all persons authorized by the candidate to solicit campaign contributions on his behalf that it is unlawful to solicit contributions from an entity or its officers or employees or a person that is directly regulated by the office the candidate seeks.

B. With or without a referral from the secretary of state, the state ethics commission may institute a civil action in district court for any violation of the Campaign Reporting Act or to prevent a violation of that act that involves an unlawful solicitation or the making or acceptance of an unlawful contribution. An action for relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including a civil penalty of up to one thousand dollars (\$1,000) for each violation not to exceed a total of twenty thousand dollars (\$20,000), and forfeiture of any contribution received as a result of an unlawful solicitation or unlawful contribution. Each unlawful solicitation and each unlawful contribution made or accepted shall be deemed a separate violation of the Campaign Reporting Act.

C. With or without a referral from the secretary of state, the state ethics commission may institute a civil action in district court if a violation has occurred or to prevent a violation of any provision of the Campaign Reporting Act other than that specified in Subsection B of this section. Relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including an order for a civil penalty of up to one thousand dollars (\$1,000) for each violation not to exceed a total of twenty thousand dollars (\$20,000).

H. The limitation on contributions to a candidate provided for in Subsection A of this section shall not apply to a candidate's own contribution from the candidate's personal funds to the candidate's own campaign.

I. The limitations on contributions to political committees provided for in Subsection A of this section shall not apply to a political committee that makes only independent expenditures or to a contribution to a political committee that is deposited in a segregated bank account that may only be used to make independent expenditures.

If a timely explanation is filed and the secretary of state determines that good cause exists to waive or reduce the imposition of the fine, the secretary of state may by a written notice of final action partially or fully waive the imposition of a fine for any late report or statement of no activity. A written notice of final action shall be sent by certified mail. 1-22A-3. Reports required; time and place of filing.

A. A candidate or campaign committee that has received contributions or made expenditures of one thousand dollars (\$1,000) or more shall file with the secretary of state a report of all contributions received and expenditures made on a prescribed form, and the report shall be filed in the same or similar electronic system as that used for the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978]. Except as otherwise provided in this section, all reports pursuant to the School District Campaign Reporting Act shall be filed electronically and electronically authenticated by the candidate using an electronic signature in conformance with the Electronic Authentication of Documents Act [14-15-1 to 14-15-6 NMSA 1978] and the Uniform Electronic Transactions Act [Chapter 14, Article 16 NMSA 1978].

B. A candidate or campaign committee shall file a campaign report of all contributions received and expenditures made during an election cycle and not previously reported by midnight on the twenty-first day before the election and on the thirtieth day following the election.

C. If a reporting date set by Subsection B of this section falls on a holiday, the report shall be filed on the next business day.

D. If a candidate or campaign committee has not received any contributions and has not made any expenditures since the last report filed with the secretary of state, the candidate or campaign committee shall only be required to file a statement of no activity, which shall not be required to be notarized, in lieu of a full report when that report would otherwise be due.

E. A report of expenditures and contributions filed after a deadline set forth in this section shall not be deemed to have been timely filed.

F. Except for candidates and campaign committees that file a statement of no activity, each candidate or campaign committee shall file a report of expenditures and contributions pursuant to the filing schedules set forth in this section, regardless of whether any expenditures were made or contributions were received during the reporting period. Reports shall be required until the candidate or campaign committee delivers a report to the secretary of state stating that:

- (1) there are no outstanding campaign debts;

H. A candidate may apply to the secretary of state for exemption from electronic filing in case of hardship, which shall be defined by the secretary of state.

History: Laws 2013, ch. 180, § 3; 2018, ch. 79, § 37; 2024, ch. 43, § 2.

1-22A-4. Contents of report.

A. Each required report of expenditures and contributions shall be typed or printed legibly, or on a computer disc or format approved by the secretary of state, and shall include:

- (1) the name and address of the person to whom an expenditure was made or from whom a contribution was received; provided that for contributors, the name of the legal entity or the first and last names of the individual shall be the full name of the legal entity or individual, and initials only shall not constitute a full name unless that is the complete legal name;
- (2) the occupation and type and name of business, if any, of any person making contributions of two hundred fifty dollars (\$250) or more in the aggregate per election;
- (3) the amount of the expenditure or contribution or value thereof;

History: Laws 2013, ch. 180, § 4.

1-22A-5. Anonymous contributions; special event fundraisers.

A. No anonymous contributions may be accepted in excess of one hundred dollars (\$100). The aggregate amount of anonymous contributions received by a candidate in an election cycle shall not exceed five hundred dollars (\$500).

B. Cash contributions received at special events that are unidentifiable as to a specific contributor but identifiable as to the special event are not subject to the anonymous contribution limits provided for in this section so long as no single special event raises, after expenses, more than one thousand dollars (\$1,000) in such cash contributions. For those contributions, due diligence and best efforts shall be made to disclose on a special prescribed form with the sponsor, date, place, total amount received, expenses incurred, estimated number of persons in attendance and other identifiable factors that describe the special event. For purposes of this subsection, "special event" means an event such as a barbecue or similar fundraiser where tickets costing twenty-five dollars (\$25.00) or less are sold or an event such as a coffee, tea or similar reception.

C. Any contributions received pursuant to this section in excess of the limits established in Subsections A and B of this section shall be donated to the state general fund or an organization to which a federal income tax deduction would be available under Subparagraph (A) of Paragraph (1) of Subsection (b) of Section 170 of the Internal Revenue Code of 1986, as amended.

History: Laws 2013, ch. 180, § 5.

1-22A-6. Voluntary compliance; complaints and investigations; arbitration; referrals for enforcement.

A. The secretary of state may initiate investigations to determine whether any provision of the School District Campaign Reporting Act has been violated. Additionally, any person who believes that a provision of that act has been violated may file a written complaint with the secretary of state any time prior to ninety days after an election, except that no complaints from the public

may be filed within eight days prior to an election. The secretary of state shall adopt procedures for issuing advisory opinions and processing complaints and notifications of violations.

B. The secretary of state shall at all times seek to ensure voluntary compliance with the provisions of the School District Campaign Reporting Act. If the secretary of state determines that a provision of that act for which a penalty may be imposed has been violated, the secretary of state shall by written notice set forth the violation and the fine imposed and inform the reporting individual that the individual has ten working days from the date of the letter to correct the matter and to provide a written explanation, under penalty of perjury, stating any reason why the violation occurred. If a timely explanation is filed and the secretary of state determines that good cause exists to waive the fine imposed, the secretary of state may by a written notice of final action partially or fully waive any fine imposed for any late, incomplete or false report or statement of exception. A written notice of final action shall be sent by certified mail.

C. Upon receipt of the notice of final action, the person against whom the penalty has been imposed may protest the secretary of state's determination by submitting on a prescribed form a written request for binding arbitration to the secretary of state within ten working days of the date of the notice of final action. Any fine imposed shall be due and payable within ten working days of the date of notice of final action. No additional fine shall accrue pending the issuance of the arbitration decision. Fines paid pursuant to a notice of final action that are subsequently reduced or dismissed shall be reimbursed with interest within ten working days after the filing of the arbitration decision with the secretary of state. Interest on the reduced or dismissed portion of the fine shall be the same as the rate of interest earned by the secretary of state's escrow account to be established by the department of finance and administration.

D. An arbitration hearing shall be conducted by a single arbitrator selected within ten days by the person against whom the penalty has been imposed from a list of five arbitrators provided by the secretary of state. Neither the secretary of state nor a person subject to the School District Campaign Reporting Act, Campaign Reporting Act [1-19-25 through 1-19-36 NMSA 1978], Lobbyist Regulation Act [Chapter 2, Article 11 NMSA 1978] or Financial Disclosure Act [10-16A-1 through 10-16A-8 NMSA 1978] may serve as an arbitrator. Arbitrators shall be considered to be independent contractors, not public officers or employees, and shall not be paid per diem and mileage.

E. The arbitrator shall conduct the hearing within thirty days of the request for arbitration. The arbitrator may impose any penalty the secretary of state is authorized to impose. The arbitrator shall state the reasons for the arbitrator's decision in a written document that shall be a public record. The decision shall be final and binding. The decision shall be issued and filed with the secretary of state within thirty days of the conclusion of the hearing. Unless otherwise provided for in this section or by rule or regulation adopted by the secretary of state, the procedures for the arbitration shall be governed by the Uniform Arbitration Act [Chapter 44, Article 7A NMSA 1978]. No arbitrator shall be subject to liability for actions taken pursuant to this section.

F. The secretary of state may refer a matter to the attorney general or a district attorney for a civil injunction or other appropriate order or for criminal enforcement.

History: Laws 2013, ch. 180, § 6.

1-22A-7. Reports and statements; late filing penalty; failure to file.

A. If a statement of no activity or a report of expenditures and contributions contains false or incomplete information or is filed after any deadline imposed by the School District Campaign Reporting Act, the candidate, in addition to any other penalties or remedies prescribed by the Election Code, shall be liable for and shall pay to the secretary of state fifty dollars (\$50.00) per day for each regular working day after the time required by the School District Campaign Reporting

Act for the filing of statements of no activity or reports of expenditures and contributions until the complete or true statement or report is filed, up to a maximum of five thousand dollars (\$5,000).

B. All sums collected for the penalty shall be deposited in the general fund for credit to the current school fund. A report or statement of exception shall be deemed timely filed only if it is received by the secretary of state by the date and time prescribed by law.

C. Any candidate who fails or refuses to file a report of expenditures and contributions or statement of no activity or to pay a penalty imposed by the secretary of state as required by the School District Campaign Reporting Act shall not, in addition to any other penalties provided by law:

(1) have the candidate's name printed upon the ballot if the violation occurs before or through the final date for the withdrawal of candidates; or

(2) be issued a certificate of election, if the violation occurs after the final date for withdrawal of candidates or after the election, until the candidate satisfies all reporting requirements of the School District Campaign Reporting Act and pays all penalties owed.

D. Any candidate who loses an election and who failed or refused to file a report of expenditures and contributions or a statement of no activity or to pay a penalty imposed by the secretary of state as required by the School District Campaign Reporting Act shall not be, in addition to any other penalties provided by law, permitted to file a declaration of candidacy or nominating petition for any future election until the candidate satisfies all reporting requirements of that act and pays all penalties owed.

History: Laws 2013, ch. 180, § 7.

1-22A-8. Civil penalties.

A. If the secretary of state reasonably believes that a person committed, or is about to commit, a violation of the School District Campaign Reporting Act, the secretary of state shall refer the matter to the attorney general or a district attorney for enforcement.

B. The attorney general or district attorney may institute a civil action in district court for any violation of the School District Campaign Reporting Act or to prevent a violation of that act that involves an unlawful solicitation or the making or acceptance of an unlawful contribution. An action for relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including a civil penalty of two hundred fifty dollars (\$250) for each violation not to exceed five thousand dollars (\$5,000), and forfeiture of any contribution received as a result of an unlawful solicitation or unlawful contribution. Each unlawful solicitation and each unlawful contribution made or accepted shall be deemed a separate violation of the Campaign Reporting Act [1-19-25 through 1-19-36 NMSA 1978].

C. The attorney general or district attorney may institute a civil action in district court if a violation has occurred or to prevent a violation of any provision of the School District Campaign Reporting Act other than that specified in Subsection B of this section. Relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including an order for a civil penalty of fifty dollars (\$50.00) for each violation not to exceed five thousand dollars (\$5,000).

History: Laws 2013, ch. 180, § 8.

1-22A-9. Penalties; criminal enforcement.

A. Any person who knowingly and willfully violates any provision of the School District Campaign Reporting Act is guilty of a misdemeanor and shall be punished by a fine of not more than one thousand dollars (\$1,000) or by imprisonment for not more than one year or both.

B. The School District Campaign Reporting Act may be enforced by the attorney general or the district attorney in the county where the candidate resides or where the violation occurred.

History: Laws 2013, ch. 180, § 9.

1-22A-10. Campaign funds; limitations on use.

- A. expenditures of the campaign;
- B. donations to the state general fund;
- C. donations to an organization to which a federal income tax deduction would be permitted under Subparagraph (A) of Paragraph (1) of Subsection (b) of Section 170 of the Internal Revenue Code of 1986, as amended;
- D. expenditures to eliminate the campaign debt of the candidate for the office sought or expenditures incurred by the candidate when seeking election to another public office;
- E. donations to a political committee or to another candidate seeking election to a public office that is subject to the reporting provisions of the School District Campaign Reporting Act or the Campaign Reporting Act [1-19-25 through 1-19-36 NMSA 1978]; or
- F. disbursements to return unused funds pro rata to the contributors if no campaign debt exists.

B. When the proclamation is issued by:

(1) the secretary of state, the state shall pay all costs of the special election, including reasonable costs incurred by each county clerk; and

(2) a local public body:

(a) unless the local public body has made appropriate arrangements with the county clerk by means of a written memorandum of understanding or has provided the county clerk with written documentation that the local public body has made arrangements for payment with an election vendor, the local public body shall deposit the estimated actual amount for all costs associated with the conduct of the special local election with the county clerk no later than forty-nine days before the special local election; and if multiple local public bodies jointly conduct a special local election, each local public body shall post a pro rata share of the estimated actual cost of conducting the special local election;

(b) a county clerk may refuse to print or mail ballots for a special local election if the estimated actual cost of the election has not been deposited with the county clerk no later than forty-nine days before the special local election and the local public body has not made appropriate arrangements with the county clerk by means of a written memorandum of understanding;

(c) within sixty days following the special local election, the county clerk shall provide an accounting of expenses along with a refund for any funds not expended or a bill for the remainder of the expenses to be paid by the local public body within ninety days following the special local election; and

C. No individual, corporation, person, political action committee or other nongovernmental entity shall pay for or reimburse the state or a local public body for the costs associated with conducting a special election. When the lobbyist is required under the terms of the lobbyist's employment to turn over any such records to the lobbyist's employer, responsibility for the preservation of them as required by this section and the filing of reports required by this section shall rest with the employer. Such records shall be made available to the secretary of state or attorney general upon written request.

The state ethics commission, in consultation with the secretary of state, shall issue advisory opinions, when requested to do so in writing, on matters concerning the Lobbyist Regulation Act.

B. The secretary of state may conduct examinations of reports and the state ethics commission may initiate investigations to determine whether the Lobbyist Regulation Act has been violated. Any person who believes that a provision of the Lobbyist Regulation Act has been violated may file a written complaint with the state ethics commission pursuant to the terms of the State Ethics Commission Act [10-16G-1 to 10-16G-16 NMSA 1978]. Within twenty days after receiving the complaint from the state ethics commission, the secretary of state shall return the complaint to the state ethics commission and certify to the state ethics commission whether voluntary compliance was achieved. If the secretary of state certifies voluntary compliance, the state ethics commission shall dismiss the complaint or that part of the complaint alleging a violation of the Lobbyist Regulation Act. D. Any person who fails to file or files a report after the deadline imposed by the Lobbyist Regulation Act shall be liable for and shall pay to the secretary of state fifty dollars (\$50.00) per day for each regular working day after the time required for the filing of the report until the complete report is filed, up to a maximum of five thousand dollars (\$5,000).

E. If the secretary of state determines that a reporting entity subject to the reporting provisions of the Lobbyist Regulation Act has failed to file or has filed a report after the deadline, the secretary of state shall by written notice set forth the violation and the fine that may be imposed and inform the reporting individual that the individual has ten working days from the date of the letter to come into voluntary compliance and to provide a written explanation, under penalty of perjury, stating any reason why the violation occurred. If a timely explanation is filed and the secretary of state determines that good cause exists to waive the imposition of a fine, the secretary of state may by a written notice of final action partially or fully waive the imposition of a fine for any late report or statement of no activity. A written notice of final action shall be sent by certified mail. The secretary of state may file an appropriate court action to remit outstanding fines for good cause or refer unpaid fines for enforcement pursuant to Subsection F of this section.

If a complaint is determined to be frivolous, unsubstantiated or outside the jurisdiction of the commission, the complaint shall not be made public by the commission; provided that the commission shall not prohibit the complainant or respondent from releasing the commission's decision or other information concerning the complaint.

C. Except as otherwise provided in the acts listed in Section 9 of the State Ethics Commission Act, all complaints, reports, files, records and communications collected or generated by the commission, hearing officer, general counsel or director that pertain to alleged violations shall not be disclosed by the commission or any commissioner, agent or employee of the commission, unless:

- (1) disclosure is necessary to pursue an investigation by the commission;
- (2) disclosure is required pursuant to the provisions of the State Ethics Commission Act; or
- (3) they are offered into evidence by the commission, respondent or another party at a judicial, legislative or administrative proceeding, including a hearing before a hearing officer.

D. Information and reports containing information made confidential by law shall not be disclosed by the commission or its director, staff or contractors.

E. A commissioner, director, staff or contractor who knowingly discloses any confidential complaint, report, file, record or communication in violation of the State Ethics Commission Act is guilty of a petty misdemeanor.

History: Laws 2019, ch. 86, § 13.

10-16G-14. Criminal violations; referral.

If the commission finds at any time that a respondent's conduct amounts to a criminal violation, the director shall consult with the attorney general or an appropriate district attorney, and the commission may refer the matter to the attorney general or an appropriate district attorney. The commission may provide the attorney general or district attorney with all evidence collected during the commission's investigation. Nothing in this section prevents the commission from taking any action authorized by the State Ethics Commission Act or deciding to suspend an investigation pending resolution of any criminal charges.

History: Laws 2019, ch. 86, § 14.

10-16G-15. Time limitations on jurisdiction.

A. The commission shall not accept or consider a complaint unless the complaint is filed with the commission within the later of two years from the date:

- (1) on which the alleged conduct occurred; or
- (2) the alleged conduct could reasonably have been discovered.

B. The commission shall not adjudicate a complaint filed against a candidate, except pursuant to the Campaign Reporting Act [1-19-25 through 1-19-36 NMSA 1978] or Voter Action Act [1-19A-1 to 1-19A-17 NMSA 1978], less than sixty days before a primary or general election. During that

time period, the commission may dismiss complaints that are frivolous or unsubstantiated or refer complaints that are outside the jurisdiction of the commission.

C. A complainant shall be notified in writing of the provisions of this section and shall also be notified in writing that the complainant may refer allegations of criminal conduct to the attorney general or the appropriate district attorney.

D. When commission action on a complaint is suspended pursuant to the provisions of this section, the respondent shall promptly be notified that a complaint has been filed and of the specific allegations in the complaint and the specific violations charged in the complaint.

History: Laws 2019, ch. 86, § 15.

10-16G-16. Prohibited actions.

A. A person shall not take or threaten to take any retaliatory, disciplinary or other adverse action against another person who in good faith:

- (1) files a verified complaint with the commission that alleges a violation; or
- (2) provides testimony, records, documents or other information to the commission during an investigation or at a hearing.

B. A complainant and a respondent shall not communicate ex parte with any hearing officer, commissioner or other person involved in a determination of the complaint.

C. Nothing in the State Ethics Commission Act precludes civil or criminal actions for libel or slander or other civil or criminal actions against a person who files a false claim.

User's Guide to the Index

This index contains treatment of the laws compiled in the *Election Handbook of the State of New Mexico, 2025 Edition*. Statutory provisions from the *New Mexico Statutes Annotated* are referred to in the index by section number (e.g., §1-6-5).

The index is a combination of two approaches to indexing, topical and descriptive word. The topical approach follows the organization of the Code, and the descriptive word approach uses nonlegal terms and popular names to describe legal terminology. The result is a user-friendly index for both the lawyer and non-lawyer user.

A few basic suggestions for using this index are:

(1) *Begin your search with DEFINED TERMS.* DEFINED TERMS is a collection of entries for terms defined in the Election Handbook of the State of New Mexico. Starting a search in this heading exposes the index user to a diverse sampling of statutory terminology, which could suggest to the user other headings to consult.

(2) *Cross references.* Pay close attention to and make full use of the index cross references. Cross references serve to keep indexes to a manageable size by reducing the amount of repetition of treatment under different headings. An index cross reference directs the index user to go to another part of the index to find treatment. For example "ASSISTANCE TO VOTERS, See VOTERS" directs the index user from the main heading ASSISTANCE TO VOTERS to the main heading VOTERS.

(3) *Use descriptive words or phrases to aid in your search, including commonly used phrases or terms of art.* Examples would be ABSENTEE VOTING, SPECIAL ELECTIONS and VOTING MACHINES.
