**ALEXANDER RAE BALDWIN,

SCHEDULING ORDER

THIS MATTER came before the Court for a Scheduling Conference on February 20, 2024. IT IS HEREBY ORDERED:

1. The parties shall make their respective discovery disclosures within the timeframes set forth in Rule 5-501 NMRA and Rule 5-502 NMRA. Following initial discovery disclosures, the parties have a continuing duty to disclose and make available supplemental discovery within seven (7) days of the receipt of such information.
2. All requests for interviews of witnesses on the other party's initial witness list shall be made within fourteen (14) days from the filing date of the witness list or within fourteen (14) days of this scheduling order, whichever occurs later. If a party files a new witness list adding new witnesses, any requests to interview those witnesses shall be made no later than seven (7) days after the new witness list is served on the requesting party.
3. Unless the Court finds good cause, no party may file an amended witness list to add new witnesses after May 6, 2024.
4. Pretrial motions, including but not limited to dispositive motions to dismiss and motions to suppress, shall be filed by May 6, 2024.

5. Responses to pretrial motions shall be filed within fifteen (15) days of the filing of the original motion. Failure to file a response shall result in the presumed concurrence of the motion. Replies to pretrial motions shall be filed within fifteen (15) days from the filing of the response. The parties shall follow all local motion practice rules, including rules on page limitations and package procedure, set forth in Local Rule LR1-305 NMRA.
6. All witness interviews shall be completed by June 5, 2024.
7. The pretrial motions hearing is scheduled for the week of June 17, 2024. The parties shall e-mail the TCAA at the time of submitting their LR1-305 NMRA motion package to confirm their request for a hearing on a pretrial motion. Notice of the actual date and time of the hearing will be filed once confirmation is received.
8. All parties shall file notice with the Court of any requirement for Language Access Services by June 17, 2024.
9. The State shall provide notice to the Defendant of any Rule 11-404(B) NMRA evidence by June 17, 2024. The Defendant may address contested issues arising from the notice via a motion in limine.
10. The parties shall submit any plea agreement, in writing, to the Court by June 24, 2024.
11. The Pretrial Conference, also this Court's Docket Call, is scheduled for June 24, 2024.
12. The parties shall file their final trial witness list and motions in limine by June 24, 2024. The opposing party may file a response to a motion in limine within five (5)

days from the filing date of the motion in limine. Given the proximity to trial, the Court will not consider a reply to a motion in limine.

13. The motions in limine hearing is scheduled for July 8, 2024. The parties shall e-mail the TCAA at the time of filing their motion in limine to confirm their request for a hearing on the motion in limine. Notice of the date and time of the hearing will be filed once confirmation is received.

14. The parties shall file their Local Rule LR1-Form 704B Praeceptum and proposed jury instructions by July 8, 2024.

15. Jury selection is scheduled for July 9, 2024.

16. The trial is estimated to last eight (8) days, between July 10, 2024 and July 19, 2024. The parties shall notify the Court immediately if changes in the presentation of the case could impact the number of estimated days for trial.

The Court may impose abbreviated deadlines within this Scheduling Order.

If a party fails to comply with the dates outlined in this Scheduling Order, the Court shall impose sanctions. Sanctions may include, but are not limited to, dismissal with or without prejudice, suppression or exclusion of evidence, a monetary fine imposed upon a party's attorney, or a monetary fine imposed on the attorney's employing office with appropriate notice to the office with an opportunity to be heard.

The Court may shorten or extend deadlines in this Scheduling Order provided that any extension shall not result in the delay of the plea deadline or the date scheduled for commencement of trial unless the Court finds good cause.

IT IS SO ORDERED.
