

NOTICE OF PROPOSED RULEMAKING HEARING

The New Mexico Department of Transportation (NMDOT) is proposing to repeal and replace 18.27.5 NMAC, Contractor Prequalification Rule.

Approval of the initial rulemaking action for the proposed new rule was granted to NMDOT by the New Mexico State Transportation Commission on January 16, 2020 pursuant to Sections 9-5-1, 67-3-8 and 67-3-11, NMSA 1978. The legal authority authorizing this rulemaking is Section 67-3-78, NMSA 1978.

Summary of Full Text: The Contractor Prequalification Rule was first promulgated in 2015. The operation of the rule rewards good contractor performance and encourages lesser quality contractor performance to improve.

Purpose: The purposes for this proposed repeal and replacement of the rule are to clarify the scoring method, to clarify the definition of “project” and to rework the appeals procedure. Revisions are necessary to address these issues and to fine tune the rule to better accomplish the intended purpose of the program.

Full Text of the Proposed Rule: A copy of the full text of the proposed new rule 18.27.5 NMAC may be found on the NMDOT website at the following Internet link, under the *Public Notices* tab:
