

Traffic Report for the week of June 14 to 21, 2026.

In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continuing to be cautious of heavy equipment and construction personnel in the area. **PLEASE NOTE:** Conditions are subject to change without notice. Double fines for speeding in work zones may be in effect.

White Sands Missile Range Notification

For information regarding closures, you may call WSMR at 678-1178 or 678-2222 for updates.

Interstates:

I-10 Lordsburg Rest Area Closure, Mile Marker 20, Lordsburg

The Lordsburg Rest Area at Exit 20 will be closed starting Monday, June 15 at 7 a.m. and will remain closed overnight until Tuesday, June 16 following completion of parking lot repairs. Pavement striping will be completed as soon as the contractor can be scheduled. Motorists are encouraged to plan accordingly and utilize alternate rest areas and services during the closure. NMDOT appreciates the public's patience as crews work to improve the facility.

I-10 Business Loop 22, Pine St. Resurfacing Project, Mile Marker 0 to 4.2, Deming

San Bar (Contractor) will be placing arrows and roadway markers on Pine Street. During this process, please use caution for slow moving traffic and lane closures as needed.

I-25 Guardrail Replacement Project, Mile Marker 6 to 14.2, Las Cruces to Dona Ana C00384

J-H Supply Company, Inc. (Contractor) will begin a guardrail and concrete barrier wall project on Interstate 25 from Las Cruces to just north of Doña Ana. Traffic Control and lane closures will be in place in both directions for guardrail removal and replacement. Contractors' working hours are Monday through Friday from 6 a.m. to 5 p.m.

I-25 Roadway Rehabilitation Project, Mile Marker 125 to 139, south of Socorro CN1102190

Mountain States Constructors Inc. (Contractor) is continuing a roadway reconstruction project on I-25 from mile marker 125 to mile marker 139(San Antonio). Lane closures will be in place on both the southbound and northbound lanes for milling and paving operations. Speed limits will be reduced throughout the project. Contractor's working hours will be 6 a.m. to 6 p.m. Monday through Friday, with the possibility of weekend work.

I-25 Business Loop Roadway Rehabilitation Project, T or C Downtown

Roadsafe Traffic Systems (Contractor) will continue with pavement marking adjustments to the downtown T or C area. Lane closures will be in place for the contractor to finalize striping, place signage and bollards along the roadway for the safety of the cyclists. This project is expected to take no more than 60 working days. Contractors' working hours are Monday through Friday from 7 a.m. to 7 p.m.

US Roadways:

US 70, Utility installation, Mile Marker 152 to 153, Las Cruces

Renegade Construction LLC (Contractor) will be making repairs along US 70/Bataan Memorial Hwy from mile marker 152 to 153 in the eastbound lanes. Work consists of Utility installation, reconstruction of roadway, shoulder work, signage and striping. Working hours are from 7 am to 4 pm and work is scheduled to be completed by July 17, 2026.

State Roadways:

NM 101, Manhole Cover repairs, University Ave, Las Cruces

A Mountain Construction (Contractor) will be adjusting the manhole covers on NM 101 from Main St. to just past College Ave. Overnight Lane closures will be in place throughout the duration of the project. Motorists are advised to reduce speeds, use caution in the work zone, and follow all posted signage. The project is anticipated to be completed by June 12, 2026.

NM 213 & NM 404, Roadway Widening, Mile Marker 0 to 2, Chaparral B100321/322

FNF Construction Inc. (Contractor) has begun roadway reconstruction project on NM 213 and NM 404. This project was placed into suspension as on February 25, 2026, due to unforeseen issues impacting ongoing construction.

NM 11, Box Culvert, Mile Marker .08, Columbus Port of Entry

Morrow Ent. Inc. (Contractor) has completed roadway paving at the intersection of NM 11 and El Paso Ave, just north of the Port of Entry. Guardrail installation and striping have been scheduled to take place in the next few weeks. Speed limits will be reduced, please obey traffic control devices. The contractor's hours of operation will be from 6:30 a.m. to 6 p.m. Monday through Friday and work is expected to be completed by Fall 2026.

Chip Seal Projects, Luna Co:

The New Mexico Department of Transportation (NMDOT) has begun Chip Seal operations on roadways in the Deming area of Luna County. During operations, drivers can expect flagging personnel, pilot vehicles, and temporary stops. Brooming will occur during and after the sealing process. Loose gravel may remain on road surfaces for a few days post-treatment. Work will take place Monday through Friday, from 7 a.m. to 5 p.m. Note that center striping will be absent in work zones until completion. Roads scheduled for chip sealing, in order:

- **State Park 1007** (Pancho Villa State Park Roadway)
- **Various I-10 Frontage Roads** (Gage area)
- **Frontage Road 1019** (Baker Rd)
- **NM 418**, milepost 0 to 14.1 (Old Lordsburg Highway)
- **NM 377**, milepost 0 to 1.8 (Pecan Park) **Starting Tuesday, June, 16**
- **Various I-10 Frontage Roads** (Akela area)

City of Las Cruces Projects:

Lohman Ave. and Walnut St. Intersection

Beginning Monday, June 15, 2026, all outside lanes approaching the intersection of Lohman Avenue and Walnut Street will be temporarily closed. The lane closures are expected to remain in place until approximately July 10, 2026. A Mountain Professional Construction will be performing roadway and signal improvements at the intersection during this time.
