BOWMAN AVENUE TO BE CLOSED BETWEEN NM STATE ROAD 101 (UNIVERSITY AVE.) AND WEST UNION AVENUE MONDAY, JULY 28-FRIDAY, AUGUST 1 AND OCCASIONALLY FOR ABOUT THE NEXT MONTH; LOCAL TRAFFIC CAN USE MCDOWELL PLACE AS DETOUR; OTHER TRAFFIC ASKED TO SEEK AN ALTERNATE ROUTE

Update as of Monday, July 28, 2025

Crews have closed Bowman Avenue for one week from Monday, July 28, 2025-Friday, August 1, 2025, and will be closing the roadway occasionally for about the next month (through late August 2025), as they work on the turnout and roadway paving.

Detours:

- Local traffic from Capri Road and West Conway Avenue can use McDowell Place as a detour route.
- Traffic on W College Avenue can use S. Main Street.
- Other traffic should seek an alternate route.

Other Ongoing Traffic Impacts:

During Phase 2, expected to last through December 2025, the following detours are in place:

- **Only ONE lane of westbound traffic is allowed** on University Avenue/NM 101 between South Main Street and Avenida de Mesilla
- Eastbound traffic is detoured to West Union Avenue and South Main Street to access University/NM 101

Regular work hours are **Monday-Friday 7 a.m.-4:30 p.m.** although the contractor may work longer hours or on weekends as needed. Additional construction will follow this phase, with the project expected to be completed in **fall 2026**. All construction is weather permitting and is subject to change without notice.

For more information visit <https://www.dot.nm.gov/universitynm101/> or wwwnmroads.com.
